Construction Reports That Make Sense

CONTENTS-BY PROJECT STATUS

Planning Section

Page 4

Projects being planned for future construction. Plans are currently being drawn up. Negotiations may be underway with general contractors. These reports are updated as significant changes occur.

Negotiated Section

Page 27

Private sector projects where the general contractor has been selected, or where the owner plans to contract with subs directly. Projects may be in the planning stage, or out for sub-bids on an informal ASAP basis.

Bidding Section

Page 34

A complete BID CALENDAR in every issue. Projects with a bid date established are listed according to bid date, along with all general contractor bidders.

Post Bid Section

Page 51

The names and bid amounts of the three lowest bidders are listed on general trade jobs.

ConstructConnect is committed to providing products and services at the highest level. If you have a question, comment or suggestion, please let us know how we can help!

North 1st Street Mixed-Use Development (New)		1004994226
106 N 1st St Brooklyn, Kings Co NY Est. Start: 01/2021 Size: 80,932 square feet, 7 stories, 38 units, 2 buildings Scope: Demolition, site work and new construction of a mixed-use development in Brooklyn, New York. Working plans call for the construction of a 39,903-square-foot, seven-story above grade, 38-unit multi-residential development; and 8,742-square-foot retail development. Demolition permits were filed with the New York City Building Department in October 2018. As of October 22, 2020, permits for vertical construction have been filed with the city. An architect has been selected and the developer will likely self-serve as general contractor. Although there is not a firm timeline, construction is not anticipated prior to 2021. *Project information, including timeline and contacts, has been obtained through public sources. The content management team continues to pursue additional details; however, the contact(s) listed have yet to disclose or confirm any information. Inquiries should be directed to the contact(s) listed.	Value: \$20,000,000 (est) Pre-Design	
Notes: Development include(s): Site Work, New Construction, Demolition Arch: Hill West Architects 11 Broadway Suite 1700 New York, NY 10004, Ph 212 213-8007, Fax 212 686-1754; David West GenCont: DDG Partners - New York 250 Hudson St 10Th Floor New York, NY 10013, Ph 212 612-3250, Fax 212 612-3260; Joseph McMillan		
240 Old Country Road HVAC Improvements - 90027 - Nassau County (Alt)		1005532961
240 Old Country Rd Mineola, Nassau Co NY Est. Start: 06/2021 Size: 1 building Scope: Renovation of a municipal facility in Mineola, New York. Conceptual plans call for the renovation of a municipal facility. This project will modernize the HVAC system at 240 Old Country Road. This facility was opened in the late 1950's, and featured wide open floor areas, which, over the years, have been converted into several small areas and offices without regards to the HVAC systems air vents. Cooling, ventilation, and air distribution in the building is inadequate. Work to be performed may include, but not be limited to, installation of dehumidification system, new air handlers, new exhaust fans, installation of one new chiller, repair existing fire dampers, replace existing balancing dampers, and the renovation of existing air handlers. Dehumidifying this facility and properly distributing the air around it will improve the HVAC systems efficiency, and will eliminate the need for the numerous fans and spot cooling systems throughout the building. As of October 23, 2020, this project is currently in the Nassau County FY 2020-2023 CIP . Funding for this project is allotted in the city's capital improvement plan for construction Fy 2021. A firm timeline has not been established; however, construction is scheduled for Fiscal Year 2021. *Project information has been obtained through a public capital improvement plan (CIP). A CIP is a financial schedule for short- and long-range projects which is updated regularly. Information listed in the CIP often evolves based on funding availability and the project details, including timeline and value, are subject to change. The content management team will continue to pursue additional details as they become available.	Value: \$1,150,000 Pre-Design	
Notes: Development include(s): Renovation Owner: Nassau County - Public Works 1194 Prospect Ave. Westbury, NY 11590, Ph 516 571-9600, Fax 516 571-9655; Kenneth Arnold		
Allen Road, Woodmere Drainage - 60054 - Nassau County (Alt)		1005377256
Alan Dr Wantagh, Nassau Co NY Est. Start: 06/2021 Size: 1 building Scope: Site work for a water / sewer project in Wantagh, New York. Conceptual plans call for site work for a water / sewer project. This project is for the rehabilitation of the drainage ditch which runs behind homes on Allen Road in Woodmere. The rehabilitation will increase the drainage capacity and minimize flooding. As of October 23, 2020, this project is included Nassau County FY 2020-2023 CIP. Information regarding design firm and general contractor selection timeline has not been disclosed. A firm construction timeline has not been released. *Project information has been obtained through a public capital improvement plan (CIP). A CIP is a financial schedule for short- and long-range projects which is updated regularly. Information listed in the CIP often evolves based on funding availability and the project details, including timeline and value, are subject to change. The content management team will continue to pursue additional details as they become available.	Value: \$500,000 Pre-Design

NCC Fire Alarm Upgrade - 70073 - Nassau County (Alt) 1005533945
 1 Education Dr Value: \$2,000,000 Pre-Design

Garden City, Nassau Co NY
 Est. Start: 06/2021

Size 1 building
Scope Renovation of an educational facility in Garden City, New York. Conceptual plans call for the renovation of a educational facility. The purpose of this project is to modernize the campus' aged fire alarm systems with a new code compliant centralized system which incorporates ADA requirements. Existing systems are 20 - 60 years old and are considered obsolete. The new fire alarm systems will be integrated with two systems that were installed in 1997 in the G and CCB buildings. The new system will incorporate features such as strobe lights for the hearing impaired and alarm pull stations at required heights for the handicapped. It will also provide faster response to alarm locations and alerting the local fire department. As of October 23, 2020, this project is currently in the Nassau County FY 2020-2023 CIP . Funding for this project is allotted in the city's capital improvement plan for construction Fy 2021. A firm timeline has not been established; however, construction is scheduled for Fiscal Year 2021. *Project information has been obtained through a public capital improvement plan (CIP). Specs

Size 1 building
Scope Renovation of an educational facility in Old Westbury, New York. Conceptual plans call for the renovation of an educational facility. The State University Construction Fund is seeking Statements of Qualifications from consultants to provide to provide a comprehensive plan for future use of this facility and the Athletic Fields that supports the mission of the College for years to come. To inform this plan an inventory and analysis of existing interior and exterior conditions of the building and fields is required. This shall be coordinated with a review of the goals and objectives of the College as it relates to the space needs on campus, how these facilities were envisioned to be utilized in the 2011 Facilities Master Plan, and with a fresh look guided by current practices for college level athletics. (The 2011 Facilities Master Plan will be provided to the consultants selected to the Short List.) The final report shall be a plan for the complete renovation, and possible addition to the Clark Center and Athletic Fields with order of magnitude costs to maximize the full potential of all available space while modernizing the building and fields. The plan may be broken down by phases depending on the scope of work being recommended. The plan shall be developed through workshops and discussions with the Fund and Old Westbury. The method of contractor selection has not been determined at this time.

RFP Design - New HVAC System at Babylon Town Hall - Phase III and IV (Alt) 1005671778
 47 W Main St Value: \$200,000 (est) Pre-Design
 Babylon, Suffolk Co NY
 Est. Start: 09/2021

Available Online
 Plans, Specs, Addenda

Size 1 building
Scope Renovation of a municipal facility in Babylon, New York. Conceptual plans call for the renovation of a municipal facility. As of October 21, 2020, a designer has not yet been awarded. *The previous solicitation is listed below for reference. --- The Town is seeking a qualified engineering firm licensed in the State of New York to provide Engineering, Design, Bid Preparation and other Bid Phase Services, Construction Observation, Construction Management, Supervision, and Part time Inspection for Phase III & IV for a new HVAC system and building upgrades at Babylon Town Hall. Town Hall is located at 200 East Sunrise, Lindenhurst, NY. It is a multi-story building and was originally constructed circa 1957. The east and west wings were added later. Phase I and II of the HVAC system are currently under construction. The construction drawings and all addendums for Phase I & II, and the conceptual Phase III & IV drawings are part of this RFP. The Town is seeking complete engineers services for both phases. The design shall conform to all federal, state, and local building codes. This is not a LEED certified project, but the Town fully expects the successful firm to utilize all current energy saving measures. Phase III will be completed first, followed by Phase IV. The Town currently has adequate funding in place to finance Phase III and will bond for the construction costs of Phase IV in March 2021. It is the Towns intention to let both Phase III & Phase IV as one bid package, but award separately once the funding is available in March of 2021.

Notes Site Walkthrough: 08/31/2020 10:00AM There will be a walk through Please email Kathy Lynch at klynch@townofbabylon.com to confirm attendance. Due to social distancing requirements, only One (1) representative from each firm will be permitted to attend the walk-through. An appropriate face covering must be worn at all times. Only those firms that confirm attendance will be permitted in the building. Request For Proposal - RFP: 09/17/2020 10:00AM The Town of Babylon, Commissioner of General Services, Division of Purchasing, will receive sealed proposals at the Town Hall, 200 East Sunrise Highway, Lindenhurst, New York, 11757 at which time they will be publicly opened and read in the Division of Purchasing office. Bids may be hand delivered or mailed One original and (7) copies of both the technical & cost proposal must be delivered in a sealed envelope and received by the commissioner of general services Development include(s): Renovation

 Brooklyn, Kings Co NY
 Est. Start: 05/2021; Completion: 07/2022

Available Online
 Specs, Addenda

Size 176 units, 3 buildings
Scope Site work, paving and new construction of a mixed-use development in Brooklyn, New York. Design plans call for the construction of a 176-unit residential development; for site work for a sidewalk / parking lot; and for paving for a sidewalk / parking lot. As of October 21, 2020, an architect, development team and Modular Contractor has been selected. The East New York project will go through a public approval process. If approved, construction will begin in 2021 with an estimated completion date in 2022. The development will rise at 581 Grant Avenue on an L-shaped parcel, bounded by Pitkin Avenue to the south, Grant Avenue to the west, and Glenmore Avenue to the north. It sits next to the A subway station. A mix of studio, one-, two-, three-, and four-bedroom units will be available to low-income New Yorkers, including those formerly experiencing homelessness. Residents will also be able to enjoy a landscaped rooftop and ground level public plaza. The development will include a community space, overseen by BACDYS, that focuses on serving immigrants, women, and low-income community members, and a medical clinic operated by BMS Health and Wellness. **The below solicitation is for historical reference: The New York City Department of Housing Preservation and Development (HPD) invites developers to submit proposals to develop a high-quality, sustainable, mixed-use and mixed-income affordable housing development using modular construction methods for the East New York neighborhood of Brooklyn. This Request for Proposal (RFP) is the first disposition of City-owned land under the City's modular construction initiative announced under Housing New York 2.0. The Site is located at 581 Grant Avenue, an L-shaped parcel located at the northeast corner of the intersection of Grant Avenue with Pitkin Avenue, within Community District 5. The Site consists of all of Block 4223, Lot 1, and is approximately 49,397 square feet. The site runs along Eldert Lane and is bounded by Pitkin Avenue to the south, Grant Avenue to the west, and Glenmore Avenue to the north. The lot to be developed is adjacent to the Grant Avenue Subway Station of the A train. As part of the project, the City is proposing to close the eastern DOT-managed Municipal Parking Lot and develop affordable housing, community facility space and/or retail on the lot, with a portion being retained for open space. Approximately 55 municipal parking spaces will be retained on the western parking lot (Block 4222, Lot 1), which is excluded from the Site. This lot may be used during the construction periods for module staging, subject to a DOT Site Access Agreement and adherence to the MTA roof plans and loads outlined in Appendix D. Development Teams will provide the DOT with a fee for loss of revenue during the use of Block 4222, Lot 1, and must agree to restore the parking lot to its original condition prior to construction phase uses, not limited to repaving and restriping, as necessary. Proposals do not need to assume replacement parking for Block 4223, Lot 1. All Respondents must RSVP for the Pre-Submission Conference, as spaced is limited. People with disabilities requiring special accommodations to attend the Pre-Submission Conference and Networking Event should contact Dwan Stark at grantavemuni@hpd.nyc.gov. This will be an opportunity to ask questions and receive answers in person. Any updates and/or additional communications regarding this RFP will also be posted on this page. This is a reminder to please submit your written questions for the Grant Avenue Municipal Lot Modular RFP by Monday, July 30th, 2018 so that responses to your questions can be included in Addendum 2.
Details [Division 2]: Landscaping.

Bergen Street Office Development (Alt) 1004091795
Design Development

813 Bergen St Value: \$1,500,000 (est)
 Brooklyn, Kings Co NY
Est. Start: 05/2021
Size 36,280 square feet, 2 stories, 2 buildings
Scope Remodeling and renovation of a mixed-use development in Brooklyn, New York. Design plans call for the remodel of a 36,280-square-foot, two-story above grade office development; and retail development. This project proposes tenant improvements to a two-story warehouse to be converted. The building runs through the block to Dean Street between Grand and Classon avenues and has an alternate address of 880 Dean Street. As of October 26, 2020, a building permit has not been issued or applied for. The plan exam received partial approval in April 2018 from the New York City Department of Buildings. Information regarding the current status of this project is not available at this time. *Project information, including timeline and contacts, has been obtained through public sources. The content management team continues to pursue additional details; however, the contact(s) listed have yet to disclose or confirm any information. Inquiries should be directed to the contact(s) listed.

Specs

Size 17,000 square feet, 1 building
Scope Renovation of an educational facility in Stony Brook, New York. Design plans call for the renovation of a 17,000-square-foot educational facility. As of October 20, 2020, the owner has announced an award for this solicitation. Information regarding a general contractor is not available. A timeline for construction has not been determined. Closed solicitation has been included below for reference. Stony Brook University is seeking an architectural design consultant to assemble a team to provide design, bid documents and construction administration services for the renovation of Nassau Hall. The building is a 24,000 gross square foot building on the South Campus of Stony Brook University. The building will be renovated to a combination of labs and offices of approximately 17,000 net assignable square feet. This renovation is an enabling project to off-set some labs and offices needing relocation. Interested firms must be able to demonstrate successful experience in providing such service of equal or greater magnitude in a facility of similar size and scope. Interested parties should contact the procurement office as indicated below to obtain a copy of the RFQ, which includes the required format for the statement of qualifications. Service-Disabled Veteran-Owned Set Aside: No Minority Owned Sub-Contracting Goal: 19.5% Women Owned Sub-Contracting Goal: 10.5% Service-Disabled Veteran-Owned Business Contracting Goal: 6% The method of contractor selection has not been determined at this time. *Project information, including timeline and contacts, has been obtained through public sources. Size 1 building

Scope Renovation of a mixed-use development in Northport, New York. Completed plans call for the renovation of a medical facility. This notice is for Solicitation Number 36C24221Q0055 Replace Skylight of Building 200 at Northport VA Medical Center, 70 Middleville Rd., Northport, NY 11768. This shall be a Service-Disabled Veteran-Owned Small Business (SDVOSB) Set-Aside. As a result, all SDVOSBs may submit an offer, which will be considered by the agency. This project is classified under NAICS Code 238150 and has a size standard of \$16.5 Million. The cost estimate range for this project is less than \$25,000.00. WORK DESCRIPTION Title: Replace Skylight This skylight is in the pavilion of Building 200 North. Exterior glass has shattered, and interior glass panel is intact. It is approximately 30 feet to the highest point on a pitched roof. It is in the middle of a high-volume hallway of the hospital. This work will need to be performed on a Saturday or Sunday due to the volume of patients Monday through Friday. Contractor will provide all supervision labor, material, tools, equipment, supplies and all logistical needs to complete the project in a safe and professional manner. All contractors' personnel will have all required PPE as per task at hand requirements and Safety training certifications required: OSHA 30 for the foreman or competent person, all other personnel will be required OSHA 10, as well as any other certifications as required. Contractor will provide safety barrier beneath skylight to contain all debris and to keep people back a safe distance. Tarps must be used to contain all dust and debris inside the safety barrier. Air ducts in the immediate area will need to be sealed while work is being performed. All walkway obstruction will be removed, and the site will be broom swept by the end of the day. No equipment shall be left in building overnight. Work must be performed in accordance with all Federal, State and local codes. If work is not completed in one day the Facility will require it to be watertight with a hard material to withstand 50 mph winds by close of business. Contractor is responsible for any damage done by his personnel or equipment. This work requires preparation of area, removal of existing skylight and removal from site.as well. The Skylight hole shall be cleaned and prepared for new skylight. Any Damage to the framing, will need to be reported immediately to the Facility Representative. A custom 1 1/8 Reflective safety glass Thermopane unit with tempered over 3/8 laminated safety glass. The size is 64 X 72 all dimensions to be field verified. This will be installed as per manufactures specification and to completion. All other details

NEGOTIATED

and information shall be contained in the solicitation which shall be posted on <https://beta.sam.gov/>. The solicitation will be released on or about 10/26/2020. The response submittal address, date and time will be included in the solicitation. All prospective offerors must be currently registered in www.sam.gov and be registered and verified as a SDVOSB in www.vip.vetbiz.gov at the time of offer submission and before award of this procurement.

Size 1 building
Scope Renovation of a fire / police facility in Sound Beach, New York. Completed plans call for the renovation of a fire / police facility. Checks or money orders shall be made payable to SOUND BEACH FIRE DISTRICT. Plan deposit is refundable in accordance with the terms in the Instructions to Bidders to all submitting bids. Any bidder requiring documents to be shipped shall make arrangements with the printer company and pay for all packaging and shipping costs. All bid addenda will be transmitted to registered plan holders via email and will be available at portal. Plan holders who have paid for hard copies of the bid documents will need to make the determination if hard copies of the addenda are required for their use and coordinate directly with the printer for hard copies of addenda to be issued. There will be no charge for registered plan holders to obtain hard copies of the bid addenda. Bids must be made in the standard proposal form in the manner designated therein and as required by the Specifications that must be enclosed in sealed envelopes bearing the name of the job and name and address of the bidder on the outside, addressed to: SOUND BEACH FIRE DISTRICT, clearly marked on the outside: Bid For: Window Replacement at Headquarters Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the SOUND BEACH FIRE DISTRICT, in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. Each bidder shall agree to hold his/her bid price for sixty (60) days after the formal bid opening. It is the Board of Fire Commissioners intention to award the contracts to the lowest responsible bidder who can meet the experience, technical and budget requirements. The Board of Fire Commissioners reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Board of Fire Commissioners, is in the best interests of the District. Bids include all costs associated with the project. By submitting a bid, the bidder represents that they are familiar with the site and project conditions. Additionally, prior to submitting its bid, Contractor shall make Architect and Owner aware of any problems and/or inconsistencies in the bid documents.

Details [Division 5]: Cold Formed Metal Framing, Metal Fabrications. [Division 6]: Rough Carpentry, Finish Carpentry. [Division 8]: Wood Windows, Hardware. [Division 9]: Drywall/Gypsum, Painting. [Division 12]: Window Treatment, Furniture. [Division 14]: Elevators.

Notes Pre-Bid Meeting: 10/15/2020 10:00AM A pre-bid meeting and walk thru is scheduled. Potential bidders are asked to gather at the site, at which time they will be escorted to the areas of work. Bid Date: 11/05/2020 01:00PM Sealed bid proposals Will be received at the Office of the Board of Fire Commissioners, located at 152 Sound Beach Boulevard, Sound Beach NY 11789. Proposals will be opened at that time. Development include(s): Renovation

The Municipality reserves the right to reject any or all bids, and advertise for new bids, if in its opinion the best interest of the Municipality will hereby be promoted. The Municipality seeks to install 3,730 linear feet of Living Shoreline to provide bank stabilization, prevent erosion, and enhance habitat along Mill River. Construct a bioretention basin at Tighe Park to increase stormwater quality and retention prior to runoff release to the Mill River. Reconstruct and repave the existing parking lot and bioretention basin at Centennial Field to prevent ponding of water in the parking lot and to increase stormwater quality prior to runoff release to the Mill River. Replace the overlook at Bligh Park to provide visual access to the waterfront. Construct an earthen berm and knee walls at Bligh Field to provide flood protection to homes located on Riverside Road for which architectural and engineering design has been completed. Questions must be submitted no later than October 23, 2020. The successful bidder will be required to furnish a Performance Bond and a Payment Bond in the statutory form of public bonds required by Section 137 of the State Finance Law, each for one hundred percent (100%) of the amount of the Contract. The completion date for this project is 257 Days after Bidder receives a notice to proceed with construction from the Municipality. The following agency staff has been designated as contact for this contract: Rockville Centre Purchasing Department Kathy McMahon Purchasing Agent kmcmahon@rvcny.us Please note that contacting any other agency staff regarding this contract may be a violation of state or municipal law, rule or regulation, resulting in a determination of contractor non-responsibility.

Scope	Site work for a playground / park / athletic field in Lindenhurst, New York. Completed plans call for site work for a playground / park / athletic field. Each bid must be prepared and submitted in accordance with the instructions to Bidders and must be accompanied by Bid Security in the form of a certified check, bank check, or bid bond in the amount of five percent of the total amount of the bid. No later than forty-five days after the bid opening, the Municipality shall accept bids or reject all bids. After the bid opening, a bid may not be withdrawn prior to the date that is forty-five days after such bid opening. The Municipality reserves the right to reject any or all bids, and advertise for new bids, if in its opinion the best interest of the municipality will hereby be promoted. The Municipality seeks to install a living shoreline, lower / upper rock sill and beach area for which landscape architectural and engineering design has been completed. This project is being financed with U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant-Disaster Recovery funds administered by the NYS Governor's Office of Storm Recovery. Attention of bidders is particularly called to Section 3 requirements, M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. See Instructions to Bidders for additional information. The Municipality is an Equal Opportunity employer. The following agency staff has been designated as contracts for this contract: Douglas Madlon 631-957-7500. The successful bidder will be required to furnish a Performance Bond and a Payment Bond in the statutory form of public bonds required by Section 137 of the State Finance Law, each for one hundred percent of the amount of the Contract. The overall completion date for this project is November 19, 2021. All work, other than planting shall be completed within 120 days after Bidder receives a notice to proceed with construction from Municipality. Landscaping shall be planted during the month of October 2021. Based upon New York State Department of Conservation approval conditions, no work Seaward of the spring high tide line may occur between January 15th and May 31st. Service-Disabled Veteran-Owned Set Aside: No Contract term: 18 MONTHS

Scope Site work and paving for a mixed-use development in Rockville Centre, New York. Completed plans call for site work for a playground / park / athletic field; sidewalk / parking lot; and for paving for a sidewalk / parking lot. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by Bid Security in the form of a certified check, bank check, or bid bond in the amount of five percent (5%) of the total amount of the bid. No later than forty-five (45) days after the bid opening, the Municipality shall accept bids or reject all bids. After the bid opening, a bid may not be withdrawn prior to the date that is forty-five (45) days after such bid opening. The Municipality reserves the right to reject any or all bids, and advertise for new bids, if in its opinion the best interest of the Municipality will hereby be promoted. CDBG-DR FUNDED PROJECT The Municipality seeks to upgrade the Tighe Field's soccer ball memorial. The project involves replacing the existing soccer memorial and path to parking lot, in connection with the Mill River Greenway improvements. This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR"). Attention of bidders is particularly called to Section 3 requirements, [1] M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the Supplementary Conditions for Contracts. See Instructions to Bidders for additional information. Minority and Women Owned Business Participation Goals The following goals for MWBE participation on this project have been established at: Minority Owned Business Enterprise (MBE) 15% Women Owned Business Enterprise (WBE) 15% Equal Opportunity The Municipality is an Equal Opportunity employer. PROJECT START DATE The project start date for initial construction work, including but not limited to mobilization, is 15 Days after Bidder receives a notice of award from the Municipality. PROJECT COMPLETION The completion date for this project is 90 Days after Bidder receives a notice to proceed with construction from the Municipality. PROJECT SPECIFIC LIQUIDATED DAMAGES Liquidated damages will be assessed for each day of delay of the contract and will be applied in accordance with Article 14.10 of the General Conditions. The successful bidder will be required to furnish a Performance Bond and a Payment Bond in the statutory form of public bonds required by Section 137 of the State Finance Law, each for one hundred percent (100%) of the amount of the Contract REQUESTS FOR INFORMATION No formal pre-bidding meeting will be held. However, questions or requests for clarification may be directed to Rockville Centre Purchasing Department. Please contact Kathy McMahon via email only at kmcmahon@rvcny.us. Questions must be submitted no later than November 4, 2020.

Notes Site Walkthrough: 10/30/2020 10:00AM Bidders will have an opportunity to visit the site of the work at Mill River Park. Attendance at the site visit in not mandatory in order to bid for the work. Contact Mario Bento at mbento@rvcny.us at least 24 hours in advance of the site visit time to notify of your intent to attend. Bid Date: 11/13/2020 11:00AM Sealed bids will be received by the Village of Rockville Centre at the Village of Rockville Centre Police Department, 34 Maple Avenue, Rockville Centre, New York 11570 when they will be publicly opened and read aloud in the Village Court Room. Size 1 building
Scope Site work for a civil project in Astoria, New York. Completed plans call for site work for a water / sewer project. As of August 2017, the New York City Mayor's Office of Contract Services (MOCS) has launched the Procurement and Sourcing Solutions Portal (PASSPort), a new procurement system that will replace the paper - VENDEX process. All organizations intending to do business with the City of New York should complete an online disclosure process to be considered for a contract. Since you have submitted a bid to NYC Dept. of Design and Construction, we are requesting that you create an account and enroll in PASSPort and file all disclosure information. Paper submissions, including Certifications of No Change to existing VENDEX packages will not be accepted in lieu of complete online filings. This procurement is subject to Minority-Owned and Women-Owned Business Enterprises (MWBE) participation goals as required by Local Law 1 of 2013. All respondents will be required to submit an M/WBE Participation Plan with their response. For the MWBE goals, at portal. Estimated Range \$5,000,000-\$10,000,000 *This project timeline has been extended due to the public health crisis.

Details [Division 2]: Hazardous Material Abatement, Paving & Surfacing, Water Systems, Landscaping. [Division 3]: Concrete Formwork, Concrete Reinforcement, Structural Concrete. [Division 4]: Marble. [Division 5]: Structural Steel. [Division 9]: Tile, Painting. [Division 13]: Ground Storage Tanks. [Division 14]: Elevators, Material Handling Systems, Hoists & Cranes. [Division 15]: Ductwork.

Notes Bid Date: 11/17/2020 11:00AM Bid date changed from 11/03/2020 at 11:00 AM ET. Bid date changed from 10/20/2020 Perfetto Enterprises is only requesting pricing from Union Contractors. Please send all bids to Glenn at estimating@perpettoent.com* An addendum will be sent, at least 5 days prior to the Bid Due Date, with the updated Bid Due Date, Bid Opening Date, and procedures for submitting and opening bids while maintaining the required social distancing. All prospective bidders must acknowledge this n Development include(s): Site Work

Size 1 building
Scope Renovation of an educational facility in Valley Stream, New York. Completed plans call for the renovation of a educational facility. Plan holders who have obtained hard copies of the bid documents will need to make the determination if hard copies of the addenda are required for their use, and coordinate directly with the printer for hard copies of addenda to be issued. There will be no charge for registered plan holders to obtain hard copies of the bid addenda. The bid deposit for hard copies will be returned upon receipt of plans and specifications, in good condition, within thirty days after bid date, except for the lowest responsible bidder, whose check will be forfeited upon the award of the contract. The Contract will be awarded to the lowest responsible bidder or the proposals will be rejected within 45 days of the date of opening proposals. Bids shall be subject, however, to the discretionary right reserved by the School District to waive any informalities, accept or reject any alternatives, reject any proposals and to advertise for new proposals, if in its opinion the best interest of the School District will thereby be promoted. Each bidder may not withdraw his bid within 45 days after the formal opening thereof. A bidder may withdraw his bid only in writing and prior to the bid opening date.

Details [Division 2]: Hazardous Material Abatement, Dewatering, Paving & Surfacing, Water Systems, Landscaping. [Division 3]: Concrete Formwork, Concrete Reinforcement, Structural Concrete. Scope Demolition, site work, asbestos abatement, renovation and addition to a medical facility in Brentwood, New York. Completed plans call for the addition of a medical facility; for the demolition of a medical facility; for the renovation of a medical facility; for site work for a medical facility; and for asbestos abatement for a medical facility. Single Prime Contract to complete Interior and Exterior Renovations including the following: 1.) Phased Project in an Occupied Building completed under a Project Labor Agreement (PLA) including a minimum of (12) Phases with each Phase estimated at 5 months per Phase including (4) months for Construction and (1) month for turnover and relocation. Phases are to be completed consecutively (one after the other). 2.) Site Preparation including staging, providing lockable temporary air-tight barriers to separate Construction areas from Occupied spaces and access to temporary entrances. 3.) Asbestos Removal- Abatement of approximately 57 Linear Feet of caulking at Basement Windows, approximately 57 Linear Feet of caulking at the 1st and 2nd floor window cladding and approximately 116 Square Feet of Black Tar Mastic removal at the perimeter of the exterior masonry window openings, 4.) Selective Demolition. 5.) Exterior Closure- Removal and Replacement of approximately 458 Windows including the removal, storage and re-installation of existing Security Screens, removal and replacement of existing Steel Lintels and associated masonry repair and removal/replacement of the windows. 6.) Interior Renovation including miscellaneous partition demolition, new partition installation, existing door replacement and/or new door installation, interior glazed opening installation or replacement, construction of new interior soffits, ceilings and finishes. 7.) Fire Protection specialties- relocation or providing new miscellaneous devices and specialties. 8.) Interior finishes and built-in casework. 9.) Food Service Equipment relocation including relocation to temporary space, temporary power and relocation to original location upon completion of work. 10.) Bathroom and Kitchen Renovations- including additions, alterations, relocations, modifications and revisions to the DCW & DHW distribution, sanitary/waste systems and plumbing fixtures 11.) Fire Protection system- Providing a full NFPA 13 sprinkler system throughout the Building utilizing a portion of the existing partial coverage sprinkler system. 12.) HVAC and equipment- installation of (2) new Air Handling Units from the Basement through the second floor of the SE Wing- (1) Unit to service the 1st floor Kitchen/Dining Area and (1) Unit to service the second floor Recreational space above the Kitchen/Dining Area and miscellaneous stand-alone cooling systems at the 1st floor Kitchen area. 13.) HVAC instrumentation and controls related to all new HVAC systems. 14.) Electrical Service and Distribution modifications including additions, alterations, modification and revisions to accommodate all new HVAC systems, temporary and final relocation of equipment and interior renovations including power and lighting. 15.) Interior Lighting- revisions to accommodate all interior wall or room reconfiguration. 16.) Fire Alarm detection system- including all additions, alterations, relocations, modifications and revisions to the existing FA system to interconnect all new HVAC systems, interconnection of new NFPA 13 sprinkler system and relocation/modifications to FA devices to accommodate all interior partition or room reconfiguration. Construction Duration- 60 months Estimated Construction Start- 3/1/2019 Estimated Construction Completion- 3/1/2024 Construction Estimate- \$8,500,000- \$9,000,000 The Dormitory Authority of the State of New York ("DASNY") has determined that its interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages and any local history of labor unrest are best met by use of a Project Labor Agreement ("PLA") on this Project. The successful low bidder, as a condition of being awarded this Contract, will be required to execute the PLA described in the Information for Bidders and included in the Contract Documents. See Section 18.0 of the Information for Bidders of the Contract Documents for additional information. All subcontractors of every tier will be required to agree to be bound by the PLA. A complete set of Contract Documents may be viewed and/or purchased online from Camelot Print and Copy Centers. Only those Contract Documents obtained in this manner will enable a prospective bidder to be identified as an official plan holder of record. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. In addition, prospective bidders are advised that the Contract Documents for this Project contain new "GENERAL CONDITIONS FOR CONSTRUCTION" dated May 1, 2018 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Service-Disabled Veteran-Owned Set Aside: No Minority Owned Sub-Contracting Goal: 18% Women Owned Sub-Contracting Goal: 12% Service-Disabled Veteran-Owned Business Contracting Goal: 6%

Size 3 buildings
Scope Site work, asbestos abatement and renovation of a mixed-use development in New York, New York. Completed plans call for the renovation of a educational facility; for site work for a educational facility; and for asbestos abatement for a educational facility. The Fitzgerald Gym Facade Repairs and Associated Asbestos Abatement project includes, but is not limited to, concrete coating and spall repairs, concrete foundation repairs, sealant/joint replacement, cast in place concrete intel repairs, spalled brick replacement, brick crack repairs and repointing, pre-cast sills replacement, window metal capping replacement, window glass replacement and asbestos abatement. Estimated Cost Range: \$3,420,000 - \$3,600,000 Subcontracting Provisioning Goals (%) Minority Owned:18 Women Owned:12 Service Disabled Veteran Owned:6 The Dormitory Authority of the State of New York ("DASNY") has determined that its interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages and any local history of labor unrest are best met by use of a Project Labor Agreement ("PLA") on this Project. The successful low bidder, as a condition of being awarded this Contract, will be required to execute the PLA described in the Information for Bidders and included in the Contract Documents. See Section 18.0 of the Information for Bidders for additional information. All subcontractors of every tier will be required to agree to be bound by the PLA. A complete set of Contract Documents may be viewed and/or purchased online from Camelot Print and Copy Centers. Only those Contract Documents obtained in this manner will enable a prospective bidder to be identified as an official plan holder of record. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. All individuals who plan to attend pre-bid meetings or bid openings in person will be required to complete and present a DASNY Visitor Covid-19 Screening Questionnaire, present government-issued picture identification to building security officials and obtain a visitors pass prior to attending the bid opening. The questionnaire and all instructions are located after Section 19.0 of the Information for Bidders. Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids. Only those bids in the hands of DASNY, available to be read will be considered. Bids shall be publicly opened and read aloud. Bid results can be viewed at DASNY In accordance with State Finance Law 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between DASNY personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is: Esteban Flores, Sr. Field Representative, 65-30 Kissena Boulevard, Flushing, New York 11367, 718-997-4954, eflores@dasny.org (the Owner's Representative) and DASNY at contracts@dasny.org . Contacts made to other DASNY personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York. For more information pursuant to this law, refer to DASNY Prospective bidders are advised that the Contract Documents for this Project contain new "General Conditions for Construction" dated July 28, 2020 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. A complete set of Contract Documents may be viewed and/or purchased online from Camelot Print and Copy Centers. Only those Contract Documents obtained in this manner will enable a prospective bidder to be identified as an official plan holder of record. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. In addition, prospective bidders are advised that the Contract Documents for this Project contain new "General Conditions for Construction" dated July 28, 2020 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. The plan holders list and a list of interested subcontractors and material suppliers may be viewed at DASNY If you are ordering by mail, please include ALL the following on a transmittal with your check or money order: Company Name Address (physical address only) Contact Person Phone Number Email (for communication including addendum notifications) Company Fax number FedEx or UPS shipping account number Please include your Federal ID number, telephone and fax numbers on your Bank Check or Postal Money Order. NOTE: Bid due date is subject to change if Contract Documents are not available when requested, therefore, please call to confirm the availability of Contract Documents. If the Contract Documents will not be picked up by the purchaser, the purchaser will need to provide an account number for shipping of the documents or send an additional non-refundable check for \$20 payable to Camelot Print and Copy Centers.

Details [Division 2]: Building Demolition, Hazardous Material Abatement. [Division 3]: Architectural Concrete, Structural Precast Concrete, Architectural Precast Concrete, Concrete Restoration & Cleaning. [Division 4]: Clay Unit Masonry, Concrete Unit Masonry, Marble, Masonry Restoration & Cleaning. [Division 5]: Structural Steel, Metal Railings. [Division 9]: Tile, Terrazzo, Painting. [Division 11]: Athletic Equipment. [Division 12]: Furniture. [Division 14]: Elevators. [Division 15]: Plumbing Fixtures, Cooling Towers, Ductwork.

Notes Development include(s): Asbestos Abatement, Renovation, Site Work Pre-Bid Meeting: 11/05/2020 11:00AM A Pre-Bid Meeting will be held at DASNY Field Office at Queens College, 65-30 Kissena Boulevard, Flushing, New York 11365. Contact Esteban Flores at (518) 461-4153. All prospective bidders are strongly encouraged to attend. Bids Open: 11/24/2020 07:30AM Online Bid Opening - All bid openings will be made available for viewing live via Zoom at www.zoom.us . To enter the meeting, select Join a Meeting then enter Meeting Id 353 471 6521, Password 351895. Individuals are strongly encouraged to utilize this public viewing option as an alternative to in person attendance at bid openings. Bid Date: 11/24/2020 07:30AM Sealed bids for the above Work located at Queens College, 65-30 Kissena Blvd, Flushing, New York 11367 will be received by DASNY at its office located at 515 Broadway, Albany, NY 12207. Each bid must be identified, on the outside of the envelope, with the name and address of the bidder and designated a bid for the Project titled above.

Size: 4 buildings

Scope: Site work and paving for a mixed-use development in West Hempstead, New York. Completed plans call for site work for a playground / park / athletic field; for paving for a playground / park / athletic field; sidewalk / parking lot; and sidewalk / parking lot. Estimated Range \$4,750,000-\$6,400,000 Each bid must be prepared and submitted in accordance with the Instructions to Bidders. All bids must be accompanied by Bid Security in the form of a certified check, bank check, or bid bond in the amount of: \$130,000.00 (One hundred and thirty thousand and zero cents). The proposed project is intended to expand and improve the existing path system in the Park. The proposed greenway and trail system upgrades would enhance connectivity and provide direct access for the public to the natural resources in the Park. Waterfront access would be enhanced through installation of an elevated walkway and observation deck, and an American with Disabilities Act (ADA) accessible kayak launch, fishing dock and trail to lake access stairs along the east side of Hempstead Lake. New pedestrian crossings are included as well as curbed designated bicycle lanes along the causeway south of Hempstead Lake. This contract is being bid as a lump sum project with 6 add./alt. items. Service-Disabled Veteran-Owned Set Aside: No Service-Disabled Veteran-Owned Business Contracting Goal: 4% The completion date for this project is 450 days after agreement has been approved by the NYS Comptroller's Office.

Details: [Division 2]: Clearing, Earthwork, Grading, Slope Protection & Erosion Control, Piles & Caissons, Paving & Surfacing, Sewerage & Drainage, Fences & Gates, Landscaping. [Division 3]: Concrete Formwork, Concrete Reinforcement, Structural Concrete, Architectural Concrete, Post-Tensioned Concrete, Structural Precast Concrete. [Division 4]: Clay Unit Masonry, Concrete Unit Masonry, Granite. [Division 5]: Structural Steel, Cold Formed Metal Framing, Metal Fabrications, Metal Railings, Ornamental Metals. [Division 6]: Rough Carpentry, Wood Timber, Plastic Fabrications. [Division 7]: Shingles. [Division 8]: Metal Windows, Hardware. [Division 9]: Tile, Wood Flooring, Carpet, Painting. [Division 10]: Louvers & Vents, Exterior Signs, Interior Signs. [Division 12]: Furniture. [Division 15]: Plumbing Fixtures. [Division 16]: Service/Distribution, Lightning Protection Systems.

Notes: Development include(s): Site Work, Paving Bid Date: 11/25/2020 11:00AM Sealed bids will be received by the New York State Office of Parks, Recreation and Historic Preservation (OPRHP), Long Island at 625 Belmont Avenue, West Babylon, NY 11704 when they will be publicly opened and read. Site Walkthrough: 11/05/2020 11:00AM A pre-bid site visit meeting will be held at the Hempstead Lake State Park, Carousel Building. All prospective bidders are urged to attend.

Bids To	Plans From	Available Online
Owner	Owner	Specs

Size: 4 buildings

Scope: Demolition, site work, paving and new construction of a bridge / tunnel in Garden City, New York. Completed plans call for the demolition of a bridge / tunnel; for the construction of a bridge / tunnel; for site work for a bridge / tunnel; and for paving for a bridge / tunnel. C&D requires the services of a design/build contractor to provide design, engineering and construction services for this Project. The Contractor shall utilize the provided Technical Design Documents (which includes the 30% Design Drawings) to prepare the 60%, 90%, and 100% Final Design packages in accordance with the requirements in this RFP. The bridge carries LIRR's Hempstead Branch, which is double track electrified (third rail) territory at this location. The bridge is located at Mile Post 18.2 between the Nassau Boulevard and Garden City stations and was built in 1871. It has one (1) span with a total bridge length of approximately 86 feet. The bridge is open deck with standard bridge timbers and rests on stone masonry abutments. The tracks are tangent across the bridge with timetable speed of 60 mph (FRA Class 3). When the bridge was constructed in 1871, the vehicular traffic below was significantly different than what it is today. With the current vertical clearance posted at 10'-4" (surveyed at minimum 11'-6") bridge strikes by vehicles have been a common occurrence at this location. The age of the bridge and the frequency of bridge strikes have made replacement a priority. The Cherry Valley Road Bridge shall meet all applicable NYSDOT vertical clearance requirements to the street below (14'-0). Goals: 20% DBE Contract Term: 720 Days after Notice of Award to Substantial Completion

Notes: Development include(s): Site Work, New Construction, Demolition, Paving Pre-Bid Meeting: 11/02/2020 10:00AM Pre-bid conference at Cherry Valley Road Rail Bridge 60-O-182 located in Garden City, Nassau County NY on the LIRR Hempstead Branch Line.

Scope Site work for a water / sewer project in Yaphank, New York. Completed plans call for site work for a water / sewer project. The Division of Environmental Quality (the "Division" of the Suffolk County Department of Health Services ("Department")) is soliciting quotes from qualified vendors ("Vendor(s)") to provide prices for the Materials and Installation of Approved Innovative and Alternative Onsite Wastewater Treatment Systems ("I/A OWTS", as further described in this Solicitation of Quotes ("SOQ"). For the purpose of this SOQ, Vendors are defined as manufacturers of I/A OWTS, their representatives, or installers of I/A OWTS, but all Vendors must be in good standing with all required licenses, including, but not limited to, possessing an active Liquid Waste with Endorsements 9 & 10 issued by the Suffolk County Department of Labor, Licensing, and Consumer Affairs pursuant to Article VII of Chapter 563 of the Laws of Suffolk County, as may be amended. Failure of a Vendor to acquire and maintain a required license in good standing shall result in removal from the List. The Department encourages more than one Vendor per I/A OWTS technology respond to this SOQ. Technical Questions Due: Will be accepted, in writing (fax/email acceptable) on a rolling basis until 3:30pm on Friday, September 24, 2021. The Department of Health Services anticipates issuing addendums as necessary to respond to such questions. Reject or cancel any or all quotes or any part thereof submitted in response to this SOQ;

Size	1 building	
Scope	Renovation of an educational facility in North Massapequa, New York. Completed plans call for the renovation of a educational facility. **As of October 6, 2020, the project has not yet been awarded. A timeline for award is not yet determined. The Board of Education of the Plainedge Union Free School District invites the submission of Sealed Bid Proposals to furnish materials and labor to complete the Masonry Restoration in accordance with the plans and specifications for the following category of work. Any bid received after the time and date stated above will be returned to the bidder unopened. Bidders are solely responsible for the arrival of each bid at the School District Administration Office by the appointed time, regardless of the means of delivery. Bids must be presented on the standard bid proposal form(s) in the manner designated therein and as required by the Specifications. All bids must be addressed to the Purchasing Agent, Justine Stringer, District Administration Building, 241 Wyngate Drive, N. Massapequa, N.Y. 11758. All bids shall be sealed and in an opaque envelope that is distinctly marked on the outside as follows: "Bid #20-002R, Masonry Restoration" as required by the Bid Specifications. The name of the bidder, bidders address, and the name of the contract and/or contracts being bid must also appear on the outside of the envelope. The Contract Documents may be examined at the Office of the Architect, Mark Design Studios Architecture, PC, 270 North Broadway, Hicksville New York, 516-827-0240 (phone) during the hours of 9:00 a.m. to 4:00 p.m., excluding holidays. Bidders are encouraged to call ahead; however the Contract Documents may only be obtained through the Office of REV, 330 Route 17A, Goshen, New York 10924 (877-272-0216). Checks for deposits shall be made payable to Plainedge Union Free School District, and may be uncertified. Plan deposit is refundable in accordance with the terms of the 'Information For Bidders' to all submitting bids. Bidding Document costs are refundable provided the documents are returned to REV/plans within thirty (30) days of the Bid Opening, and are COMPLETE, UNMARKED and in NOT TORN condition. Any bidder requiring printed documents to be shipped shall make arrangements with the printer and pay for all packaging and shipping costs. All bid addenda will be transmitted to registered plan holders via email and will be available at the above. Any bidder requiring documents to be shipped shall make arrangements with the printer and pay for all packaging and shipping costs. Plan holders who have obtained hard copies of the bid documents will need to make the determination if hard copies of the addenda are required for their use, and coordinate directly with the printer for hard copies of addenda to be issued. There will be no charge for registered plan holders to obtain hard copies of the bid addenda. The bid deposit for hard copies will be returned upon receipt of plans and specifications, in good condition, within thirty days after bid date, except for the lowest responsible bidder, whose check will be forfeited upon the award of the contract. Knowledge of the site is crucial to obtain a proper understanding of the Work. All bidders must be fully familiar with the site. Bidders shall visit the sites of proposed work and be fully familiarized with conditions as they exist, as well as the character of the operations to be carried on under the proposed contract. Each bid must be accompanied by a certified check payable to PLAINEDGE UNION FREE SCHOOL DISTRICT or by a Bid Bond in an amount equal to ten percent (10%) of the bid conditioned as set forth in the "Information for Bidders" of the Bid Specifications. All bid security, except those of the three lowest bidders will be returned within ten (10) days after bids are submitted. The bid security provided by the three lowest bidders will be returned after the execution of the Trade Contract. The District will require the successful bidder to provide separate Performance and Labor & Materials Payment Bonds in the amount of the contract price and in the form specified in the Bid Documents. Each Bidder shall prepare their bid proposal, along with a bid security, in accordance with the terms and subject to the conditions set forth in the "Information for Bidders" and Bid Specifications. Attention of bidders is particularly called to the minimum wage rates to be paid under the contracts. Wages to workers, laborers and mechanics employed to work on this project shall be paid in accordance with Section 220 of the Labor Law and in accordance with the Prevailing Rate Schedules found in the Project Manual. Proof of such payments will be required. The District reserves the right to award a contract to the lowest responsible bidder providing the required security within forty-five (45) days of the date opening of the bids. To the fullest extent allowed by law, the District further reserves the right to reject bids that contain conditions, omissions, exceptions or modifications, or in its sole discretion to waive any irregularities in the bids, or to reject any or all bids, or to accept any bid which in the opinion of the District is in its best interest.

2995 Jerusalem Ave Value: \$74,000 General Contractor Award
 Wantagh, Nassau Co NY Inv# FRA 20220F WFD, 6492 BIDS: 2020-10-14, 12:00PM

Est. Start: 11/2020; Completion: 12/2020

Size 1 building

Scope Renovation of a fire / police facility in Wantagh, New York. Completed plans call for the renovation of a fire / police facility. For the Generator Camlock Connection to the Wantagh Fire District Station #6, located at 2995 Jerusalem Avenue, Wantagh, New York 11793. All bids must be accompanied by either a) a certified check payable to the "Wantagh Fire District" in the amount of 5% of the bid price, or b) a bond with sufficient sureties to be approved by the "Wantagh Fire District" in the amount of 5% of the bid price. If the bid is accepted, the bidder will enter into a contract in accordance with the bid and will furnish a suitable security bond in the sum of the amount of the contract, conditioned for the faithful and prompt completion of the work specified in the contract. If the bidder neglects or refuses to execute the contract and furnish the bonds, the deposit of 5% of the bid price shall be forfeited and retained by the Wantagh Fire District as liquidated damages or, in the case of a bid bond, the Wantagh Fire District shall enforce payment of the bond for its benefit. Performance, Labor and Material payment bonds on the forms within the Specifications Book for the full amount of the contract are required and shall be included in the bid price. Complete digital sets of Bidding Documents, drawings and specifications, may be obtained electronically for a non-refundable fee of \$49.00 (Forty Nine Dollars) Include in the email the company name, address, email address, phone number and interested contract. Once the scanned copy of the executed deposit check is received, Bidding Documents will be shipped. Mail checks to Lohrius Blueprint, 226 Newtown Road, Plainview, New York 11803. Pursuant to 220 of the Labor Law, the contract will contain a provision that every mechanic, laborer and workman employed in or about the work contemplated by the contract shall be paid not less than the prevailing rate of wages and provided with not less than the prevailing supplement which are set forth in the Bidding Documents. The Wantagh Fire District reserves the right to waive any informalities in, to accept or reject any or all bids, to award the contract to other than the lowest bidder or to advertise anew if in the judgment of the Wantagh Fire District it is in their best interests to do so. No bidder shall withdraw his bid within 45 days after the formal opening thereof.

Details [Division 2]: Dewatering, Grading, Paving & Surfacing. [Division 9]: Painting. [Division 10]: Partitions. [Division 14]: Material Handling Systems. [Division 16]: Service/Distribution, Alarm & Detection Systems.

Scope Site work for a civil project in Westhampton Beach, New York. Completed plans call for site work for a water / sewer project. The work consists of the following: Upgrading the existing sanitary system at Cupsogue County Park to include an innovative wastewater treatment system. Work includes selective demolition of existing wastewater components, installation of a new septic tank and innovative treatment system, installation of new sanitary piping, and installation of all power and control wiring for a complete and operable treatment system. The installed innovative and alternative wastewater treatment system shall connect to the existing leaching system. A three year warrantee, including all required O&M, for all installed innovative wastewater treatment system shall be included. A new kitchen waste disposal system shall be installed for future connection to the proposed snack bar being designed by SCDPW. This work includes the installation of a new grease trap, septic tank, leaching system, and sanitary piping. This Project is to be bid as a single prime project. Bidders shall submit with their bids, a separate sealed list that names each subcontractor that the bidder will use to perform work on the contract, and the agreed-upon amount to be paid to each as applicable, for: (a) plumbing and gas fitting (i.e., Plumbing Work), (b) steam heating, hot water heating, ventilating and air conditioning apparatus (i.e., HVAC Work which includes fire sprinkler) and (c) electric wiring and standard illuminating fixtures (i.e., Electrical Work). The apparent low bidder's subcontract information will be opened and read aloud at the bid opening. Bids for this contract shall be submitted in a separate sealed envelope with the name of the contract clearly noted on the outside of the envelope. Bids shall be accompanied by a certified check or bid bond in an amount not less than five percent (5%) of the total Base Bid, made payable to the Suffolk County Comptroller. This bid bond will be held as a guarantee that in the event the bid is accepted and contract awarded to the Bidder, the contract will be duly executed and properly secured. E-MAILED BIDS WILL BE CONSIDERED UNRESPONSIVE. Any questions regarding this project shall be directed to Thomas Szumczyk at 631-852-5260 or Thomas.szumczyk@suffolkcountyny.gov. The Commissioner of Public Works reserves the right to reject any and all bids.

Details [Division 2]: Clearing, Dewatering, Shoring, Earthwork, Grading, Slope Protection & Erosion Control, Paving & Surfacing, Water Systems, Sewerage & Drainage, Landscaping. There will be no charge for registered plan holders to obtain hard copies of the bid addenda. Bids must be made in the standard proposal form in the manner designated therein and as required by the Specifications that must be enclosed in sealed envelopes bearing the name of the job and name and address of the bidder on the outside, addressed to: MASSAPEQUA FIRE DISTRICT, clearly marked on the outside: Bid For: Addition and Renovation to Park House. Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the MASSAPEQUA FIRE DISTRICT, in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. Each bidder shall agree to hold his/her bid price for forty five (45) days after the formal bid opening. The Board of Fire Commissioners reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Board of Fire Commissioners, is in the best interests of the District. Bids include all costs associated with the project. By submitting a bid, the bidder represents that they are familiar with the site and project conditions. Additionally, prior to submitting its bid, Contractor shall make Architect and Owner aware of any problems and/or inconsistencies in the bid documents. Bid Bond - Minimum of 5% of contract bid. Performance Bond & Labor and material Payment Bonds - 125% of contract bid for period of construction. Maintenance Bond- 100% of contract price for two years after final completion.

Scope Renovation of an educational facility in East Rockaway, New York. Completed plans call for the renovation of a educational facility. Centre Avenue Elementary School - Contract #3 - Electrical Reconstruction WORK FROM 1/4/21 THRU 6/25/2021 SHALL TAKE PLACE FROM 3:00pm-11:00pm STARTING 6/28/2021 WORK CAN SHIFT TO DAYS 7:00am-3:00pm Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the EAST ROCKAWAY UFSD that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. The EAST ROCKAWAY UFSD reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/or to accept any bid in whole or in part and/or to award or not award the contract, if in the opinion of the EAST ROCKAWAY UFSD, the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2020, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. Similarly, restrictions, if any, that will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) may cause the Owner to have the construction work commence later than June 27, 2020. By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.

Size 1 building

Scope Renovation of an educational facility in East Rockaway, New York. Completed plans call for the renovation of a educational facility. Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the EAST ROCKAWAY UFSD that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. The EAST ROCKAWAY UFSD reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/ or to accept any bid in whole or in part and/ or to award or not award the contract, if in the opinion of the EAST ROCKAWAY UFSD, the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2020, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. Similarly, restrictions, if any, that will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) may cause the Owner to have the construction work commence later than June 27, 2020. By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.
