Construction Reports That Make Sense

CONTENTS-BY PROJECT STATUS

Planning Section

Page 4

Projects being planned for future construction. Plans are currently being drawn up. Negotiations may be underway with general contractors. These reports are updated as significant changes occur.

Negotiated Section

Page 11

Private sector projects where the general contractor has been selected, or where the owner plans to contract with subs directly. Projects may be in the planning stage, or out for sub-bids on an informal ASAP basis.

Bidding Section

Page 23

A complete BID CALENDAR in every issue. Projects with a bid date established are listed according to bid date, along with all general contractor bidders.

Post Bid Section

Page 42

The names and bid amounts of the three lowest bidders are listed on general trade jobs.

ConstructConnect is committed to providing products and services at the highest level. If you have a question, comment or suggestion, please let us know how we can help!

815 Broadway Mixed-use Building - Greenwich Village, Manhattan (New) 1005785649
 815 Broadway Value: \$15,088,000 (est) Schematic Design
 New York, Kings Co NY
Est. Start: 04/2021
Size 33,521 square feet, 11 stories, 40 units, 4 buildings
Scope Demolition, site work and new construction of a mixed-use development in New York, New York. Design plans call for the construction of a 28,059-square-foot, 11-story above grade, 40-unit multi-residential development; 1,941-square-foot retail development; for the demolition of a multi-residential development; and for site work for a multi-residential development. Permits have been filed for an 11-story mixed-use building at 815 Broadway in Greenwich Village, Manhattan. Located between East 11th and East 12th Streets, the interior lot is two blocks south of the 14th Street-Union Square subway station, serviced by the 4, 5, 6, L, N, Q, R, and W trains. The proposed 124-foot-tall development will yield 33,521 square feet, with 28,059 square feet designated for residential space and 1,941 square feet for commercial space. The building will have 40 residences, most likely rentals based on the average unit scope of 701 square feet. The steel-based structure will also have a cellar and a 40-foot-long rear yard. As of January 4, 2021, Demolition permits have not been filed yet. No information regarding a general contractor or the method of selection thereof has been established at this time. An estimated completion date has not been announced.

Size 7,581 square feet, 5 stories, 5 units, 1 building

Scope Site work and new construction of a multi-residential development in Brooklyn, New York. Working plans call for the construction of a 5,215-square-foot, five-story above grade, five-unit multi-residential development. The proposed 55-foot-tall development will yield 7,581 square feet, with 5,215 square feet designated for residential space. The building will have five residences, most likely condos based on the average unit scope of 1,043 square feet. The concrete-based structure will also have a cellar and a 38-foot-long rear yard. As of January 4, 2021, the plan exam was approved by the New York Department of Buildings on March 27, 2020. The associated builders pavement plan was approved on July 29, 2020. No building permits have been issued to date. Demolition permits will likely not be needed as the lot is vacant. An architect has been selected; however, a general contractor or selection method is not disclosed. No construction start has been established at this time. *Project information, including timeline and contacts, has been obtained through public sources. The content management team continues to pursue additional details; however, the contact(s) listed have yet to disclose or confirm any information. Scope

Renovation of a mixed-use development in Lynbrook, New York. Completed plans call for the renovation of a educational facility. Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the LYNBROOK UFSD that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. Performance Bonds and Labor/Material Bonds, as called for in the General Conditions are a requirement of each contract. The LYNBROOK UFSD reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/ or to accept any bid in whole or in part and/ or to award or not award the contract, if in the opinion of the LYNBROOK UFSD, the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2021, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.

Scope

Renovation of a mixed-use development in Lynbrook, New York. Completed plans call for the renovation of a educational facility. Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the LYNBROOK UFSD that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. Performance Bonds and Labor/Material Bonds, as called for in the General Conditions are a requirement of each contract. The LYNBROOK UFSD reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/ or to accept any bid in whole or in part and/ or to award or not award the contract, if in the opinion of the LYNBROOK UFSD, the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes

responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2021, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.

Size 2 buildings

Scope Site work and new construction of a civil project in Roslyn Heights, New York. Completed plans call for the construction of a water / sewer project; and for site work for a water / sewer project. This Contract generally consists of the construction of a new prefabricated metal building and foundations, modifications to the Existing Well No. 4 Building, installation of a Granular Activated Carbon Adsorption System, new booster pump, piping, valves, appurtenances and accessories as shown and specified. The work also includes all associated power and controls, SCADA, standby electrical power systems, motor control center, all wiring and devices, site restoration and utilities other work as shown and called for in conformance with the Contract Documents Each Bid must be accompanied by a certified or bank cashier's check made payable to OWNER, or a Bid Bond issued by a surety licensed to conduct business in the state where the Project is located and having a Best Rating of A- or better from A.M. Best Company and named in the current list of "Companies Holding Certificates of Authority as Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Financial Management Service, Surety Bond Branch, U.S. Department of the Treasury, in an amount not less than five percent of the amount of the Bid submitted. The list may be ordered from the Government Printing Office Bookstore, 26 Federal Plaza, Room 110, New York, NY 10278, (212) 264-3825. The Bidder to whom the OWNER proposes to award the Contract will be required to furnish performance and payment bonds and the necessary insurance certificates as prescribed in the General Conditions and the Supplementary Conditions within ten (10) days of the Notice of Award. Each Bidder must complete and submit with his/her bid the "Iranian Investment Activities Certification" provided in the Bid Form in compliance with General Municipal Law 103-g, Iranian Energy Sector Divestment. Each Bidder must complete and submit with his/her Bid the "Certification of Compliance with New York State Labor Law Section Two Hundred One-G" provided in the Bid Form regarding the implementation of a written policy addressing sexual harassment prevention in the workplace. The Bidder to whom the OWNER proposes to award the Contract will be required to furnish performance and payment bonds and the necessary insurance certificates as prescribed in the General Conditions and the Supplementary Conditions upon the execution of the Agreement. Bidders are required to execute a non-collusive bidding certification required by Section 103-d of the General Municipal Law of the State of New York. The attention of Bidders is particularly called to the requirements as to the conditions of employment to be observed and the minimum wage rates to be paid under the contracts. Bidders are also required to comply with the anti-discrimination provisions of Sections 290-301 of the Executive Law of the State of New York. The OWNER reserves the right to reject any or all of the Bids received, to readvertise for Bids, to abandon the project, to waive any or all informalities in any Bid received and to accept

NEGOTIATED

any proposal which the OWNER decides to be for the best interest of the OWNER. Note: All questions must be submitted, in writing, to Kevin Law, no later than 4:00 p.m. on January 8, 2021. Questions must be faxed to (516) 364-9045 or sent via email to klaw@db-eng.com. Scope Site work, asbestos abatement and renovation of a clubhouse / community center in New York, New York. Completed plans call for the renovation of a clubhouse / community center; for site work for a clubhouse / community center; and for asbestos abatement for a clubhouse / community center. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. In addition, prospective bidders are advised that the Contract Documents for this Project contain new "GENERAL CONDITIONS for CONSTRUCTION" dated July 28, 2020 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. The plan holders list and a list of interested subcontractors and material suppliers may be viewed at DASNY's portal. For Bid Opportunities and other DASNY related news, follow us on Twitter @NYS_DASNY and Facebook https://www.facebook.com/pages/DASNY-Dormitor-Authority-of-the-State-of-New-York/307274192739368. To view the Contract Documents portal or type it into your web browser. Then click on the Public Jobs link on the left side of the page. If you would like to purchase the Contract Documents and become a registered planholder click the link "Register for an account" and follow the steps to create a free account (if you have not previously set one up). Once you have a Login and Password, log in to the planroom. To order a DIGITAL DOWNLOAD of the Contract Documents and be placed on the bidder's list, add the Contract Document(s) to your cart and proceed to the checkout. All major credit cards are accepted online. A purchase of a digital download is required to become a registered planholder. Printed sets of the Contract Documents are also available to planholders for an additional cost and may be ordered through the online planroom or by mailing a check. The purchase of the digital downloads and printed sets are non-refundable and non-returnable. Please contact Camelot's Bid Department at (518) 435-9696 or email them at camelotbids@teamcamelot.com for more information. If you are ordering by mail, please include ALL the following on a transmittal with your check or money order: Company Name Address (physical address only) Contact Person Phone Number Email (for communication including addendum notifications) Company Fax number FedEx or UPS shipping account number If you do not have a shipping account, please send an additional non-refundable check for \$20 payable to Camelot Print and Copy Centers. Please include your Federal ID number, telephone and fax numbers on your Bank Check or Postal Money Order. NOTE: Bid due date is subject to change if Contract Documents are not available when requested, therefore, please call to confirm the availability of Contract Documents. If the Contract Documents will not be picked up by the purchaser, the purchaser will need to provide an account number for shipping of the documents or send an additional non-refundable check for \$20 payable to Camelot Print and Copy Centers. The bidder or its principals shall have a minimum of five (5) years experience in similar work and shall provide to the Owner within five (5) business days of receiving the Pre Award Letter and Checklist, a list of five (5) contracts of similar size, scope, and complexity to this Project completed or substantially completed within the last ten (10) years. Projects with complex technical specification sections may require additional experience in terms of both time as well as number of similarly completed projects. Experience will be viewed from both the perspective of completed projects of comparable size, scope and complexity, as well as the experience and qualifications of the bidder's personnel. The determination of relevant project experience in terms of size, scope and complexity will be at the sole and exclusive discretion of the Owner. Contract Security, EEO/AA Insurance, NY State Vendor Responsibility Questionnaire (Executive Order 125). See Contract Documents for details. In accordance with State Finance Law 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between Dormitory Authority personnel and an Offerer during the procurement process. Designated staff for this procurement are: The Project Manager and ccontracts@dasny.org. Contacts made to other Dormitory Authority personnel regarding this procurement may disqualify the Offerer and affect future procurements with governmental entities in the State of New York. Please refer to the Authority's website (www.dasny.org) for Authority policy and procedures regarding this law, or the OGS portal for more information about this law. All proposers, domestic and foreign, must be in compliance with New York State business registration requirements. Contact the NYS Department of State regarding compliance. In addition, business entities proposing to provide professional engineering services must obtain a Certificate of Authorization to Provide Engineering Services in New York State from the State Education Department. Proposals must be submitted in the full legal name of the proposer, or the full legal name plus a registered assumed name of the proposer, if any. Service-Disabled Veteran-Owned Set Aside: No Contract term: October 16, 2021

Size 1 building
Scope Site work for a pre-engineered storage facility in West Islip, New York. Completed plans call for site work for a pre-engineered storage facility. All bid addenda will be transmitted to registered plan holders via email. Plan holders who have paid for hard copies of the bid documents will need to make the determination if hard copies of the addenda are required for their use and coordinate directly with the printer for hard copies of addenda to be issued. There will be no charge for registered plan holders to obtain hard copies of the bid addenda. Bids must be made in the standard proposal form in the manner designated therein and as required by the Specifications that must be enclosed in sealed envelopes bearing the name of the job and name and address of the bidder on the outside, addressed to: West Islip Fire Department, clearly marked on the outside: Bid For: New Vehicle Storage Building. Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the West Islip Fire Department, in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. It is the Board of Fire Commissioners intention to award the contracts to the lowest qualified bidder who can meet the experience, technical and budget requirements. The Board of Fire Commissioners reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Board of Fire Commissioners, is in the best interests of the District. Bids include all casts associated with the project. By submitting a bid, the bidder represents that they are familiar with the site and project conditions. Additionally, prior to submitting its bid, Contractor shall make Architect and Owner aware of any problems and/or inconsistencies in the bid documents. The project value listed reflects the total project estimate.

Notes Bid Date: 02/08/2021 04:00PM Bids will be received at the Office of the Commissioners, located at 309 Union Boulevard, West Islip NY 11795. Size 4 buildings

Scope Site work and paving for a mixed-use development in Hempstead, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; sidewalk / parking lot; and sidewalk / parking lot. It is proposed to resurface all or part of the following roadways in the Town of Hempstead Merrick Avenue (Sunrise Highway to Camp Avenue in the hamlet of Merrick), Merrick Avenue (Camp Avenue to Henry Road in the hamlet of North Merrick); in the Towns Hempstead and North Hempstead Old Country Road (Zeckendorf Boulevard to Merrick Avenue/ Post Avenue in the hamlets of Carle Place and East Garden City, and the Village of Westbury); in the Town of Oyster Bay: West Old Country Road (Charlotte Avenue to the West meetline of SR 106 in the hamlet of Hicksville), West Old Country Road (East meetline of SR 106 to the West meetline of SR 107 in the hamlet of Hicksville). The work includes asphalt pavement removal up to a depth of 2.00 +/-, placement of 2.00 +/- of asphalt concrete overlay, removal and replacement of deteriorated pavement, repair of joints, replacement of pavement markings and traffic loops, modification of pedestrian ramps for compliance with ADA requirements and other incidental work. This Contract will be subject to Nassau County Local Laws No. 14-2002, Participation by Minority Group Members and Women in Nassau County Contracts, which requires submission of a Utilization plan prior to the award of a County contract, No. 2-2016, Participation of Service-Disabled Veterans in County Contracts, and No. 9-2002, as amended by No. 3-2015, which require that firms entering into contracts with Nassau County MUST participate in registered and approved apprenticeship training programs and as per Labor Law 220.3e NYS DOT recommends that all bidders have approved apprenticeship or On job Training (OJT) prior to bidding, unless such requirement are supplanted by requirements specified in the bidding instructions. At the time of bid submission, the Contractor shall submit, as part of its bid, documents in compliance with Title 51 of the Nassau County Miscellaneous Laws demonstrating participation in approved apprenticeship training programs that are appropriate for the type and scope of work to be performed pursuant to the Contract. Such apprenticeship training programs appropriate for the scope of this Contract shall include, but are not limited to the following Laborers, Electricians, Carpenter, Operating Engineer or any other trade appropriate for the type of work proposed. The apprenticeship training programs shall be registered with, and approved by, the New York State Commissioner of Labor in accordance with Article 23 of the New York State Labor Law. Note that if the Contractor does not comply with these requirements, the Commissioner may declare the Contractor's bid proposal non-responsive and award the Contract to the next lowest responsible Bidder. Contract awarded as soon thereafter as practicable for Nassau County Department of Public Works. In order to ensure that you are submitting bids based on the plans and specifications provided by the Department, please be advised that the Department will only accept bids from bidders who are on the List of Bidders who purchased the plans and specifications from the Department Please be advised the DBE goal for the subject County Federal Aid Project was set at 10%, the EEO Female Participation Goal is set at 6.9%, and the EEO Minority Participation Goal is set at 5.8%. Questions must be submitted no later than 4:00 P.M. on Tuesday, December 15, 2020 All questions should be directed to Garry Desyr at GDesyr@nassaucountyny.gov. In order to comply with New York State Executive Order 202.11, which reads, in part I hereby temporarily suspend or modify, for the period from the date of this Executive Order Section 103(2) of the General Municipal Law, Section 144(1) of the State Finance Law, Section 376(8)(a) of the Education Law, and Section 359(1) of the Public Authorities Law to the extent necessary to allow the non public opening of bids; provided, however, that, where practical, public entities shall record or live stream bid openings so that the public has the opportunity to view such bid openings; No public, including vendors, will be allowed to be present for the bid opening for the identified contract scheduled to take place at 1550 Franklin Ave. in Mineola at 10:30 am. No interpretation of the meaning of the Drawings, Specifications or other Contract Documents will be made to any Bidder orally. Prospective bidders must request in writing such interpretation from the Commissioner and such interpretation will be given in writing in the form of written addenda, to all prospective bidders, in accordance with the Instructions to Bidders, Item G. Copies of the Contract Documents will be available at the time and place indicated, for review prior to purchase. Further more, for review only, a downloadable set of the technical specifications can be found electronically at no charge for all registered users. The downloadable set only provides technical specifications and does not contain all the forms necessary for bidding. A non-refundable fee of \$300.00 by check or money order, payable to the Nassau County Treasurer, will be required for each set of Contract Documents requested. Prospective bidders requesting Contract Documents by mail must remit an additional, non-refundable, fee of \$30.00 per set to cover handling and first-class mailing. Only Bid Proposals Purchased in This Manner Will Be Accepted/Considered. In addition, any vendor submitting an offer for this solicitation should submit the required vendor disclosures in the Vendor Portal as well. Security or Bid as set forth herein must be presented with the Bid. Failure to Provide the Required Security Will Render the Bidder Nonresponsive and the Bid Will Not Be Accepted, Opened or Read Aloud. In Addition, if the Bid Requires Submission of Subcontractor Information, Failure to Provide the Required Information at the Time of Bid Opening May Render the Bidder Non-responsive.

BIDDING

Size 5 buildings
Scope Site work, paving and asbestos abatement for a mixed-use development in Oakdale, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; water / sewer project; municipal facility; and for asbestos abatement for a municipal facility. Drainage Improvements, Road Raising, and Associated Asbestos Abatement All individuals who plan to attend pre-bid meetings or bid openings in person will be required to complete and present a DASNY Visitor Covid-19 Screening Questionnaire, present government-issued picture identification to building security officials and obtain a visitors pass prior to attending the bid opening. The questionnaire and all instructions are located after Section 19.0 of the Information for Bidders. Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids. In accordance with State Finance Law 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between DASNY personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is: Shawn Taylor, Project Manager, 998 Crooked Hill Boulevard, Building 26, West Brentwood, New York 11717, 631-434-3462, staylor@dasny.org (the Owners Representative) and DASNY at ccontracts@dasny.org. Contacts made to other DASNY personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York. An Addendum will be issued in lieu of a Pre-Bid Meeting. Prospective bidders are advised that the Contract Documents for this Project contain new GENERAL CONDITIONS for CONSTRUCTION dated July 28, 2020 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. A complete set of Contract Documents may be viewed and/or purchased online from Camelot Print and Copy Centers. Only those Contract Documents obtained in this manner will enable a prospective bidder to be identified as an official plan holder of record. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. In addition, prospective bidders are advised that the Contract Documents for this Project contain new GENERAL CONDITIONS for CONSTRUCTION dated July 28, 2020 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. To order a DIGITAL Contract Documents and be placed on the bidders list, add the Contract Document(s) to your cart and proceed to the checkout. All major credit cards are accepted. A purchase of a digital Documents is required to become a registered planholder. Printed sets of the Contract Documents are also available to planholders for an additional cost and may be ordered through the online planroom or by mailing a check. The purchase of the digital Documents and printed sets are non-refundable and non-returnable. Please contact Camelots Bid Department at (518) 435-9696 or email them at camelotbids@teamcamelot.com for more information. If you are ordering by mail, please include ALL the following on a transmittal with your check or money order: Company Name Address (physical address only) Contact Person Phone Number Email (for communication including addendum notifications) Company Fax number FedEx or UPS shipping account number If you do not have a shipping account, please send an additional non-refundable check for \$20 payable to Camelot Print and Copy Centers. Please include your Federal ID number, telephone and fax numbers on your Bank Check or Postal Money Order. NOTE: Bid due date is subject to change if Contract Documents are not available when requested, therefore, please call to confirm the availability of Contract Documents. If the Contract Documents will not be picked up by the purchaser, the purchaser will need to provide an account number for shipping of the documents or send an additional non-refundable check for \$20 payable to Camelot Print and Copy Centers. The estimated value of the work is \$1,850,011 to \$2,394,299. MBE (18%), WBE (12%), DVBE (6%)

Size 1 building
Scope Renovation of an educational facility in Massapequa, New York. Completed plans call for the renovation of a educational facility. Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the MASSAPEQUA UNION FREE SCHOOL DISTRICT, in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. Each bidder shall agree to hold his/her bid price for forty-five (45) days after the formal bid opening. It is the Board's intention to award the contracts to the lowest qualified bidder providing the required security who can meet the experience, technical and budget requirements. The Board reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Board, is in the best interests of the School District.

Size 1 building
Scope Site work for a water / sewer project in Yaphank, New York. Completed plans call for site work for a water / sewer project. The work consists of the following: Installation of approximately 670 individual grinder pump units (GPU) and electrical services, and gravity connections from the existing waste line of each residential home to the isolation valve installed under a previous contract, as well as the closure of the existing sewage disposal systems and the restoration of all disturbed areas. You are responsible for downloading and printing all appropriate Contract Documents. You are also responsible for checking the site frequently to ensure that you have all addenda. Note that there is no fee to create a user profile or to obtain documents. Questions for user login should be directed to the Suffolk County Department of Public Works IT division at (631) 852-4115. Eligible bidders must have registered on the Suffolk County Department of Public Works Purchasing Unit web site to be eligible to submit a responsible bid. This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR"). Attention of bidders is particularly called to Section 3 requirements, M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. This project includes both State and Federal prevailing wages. If Federal Davis-Bacon wage rates differ from the New York State prevailing wage rates, then the higher of the two rates shall be paid. Note: This Project is to be bid as a single prime project. Bids for this contract shall be submitted in a separate sealed envelope with the name of the contract clearly noted on the outside of the envelope. Bids shall be accompanied by a certified check or bid bond in an amount not less than five percent (5%) of the total Base Bid, made payable to the Suffolk County Comptroller. This bid bond will be held as a guarantee that in the event the bid is accepted, and contract awarded to the Bidder, the contract will be duly executed and properly secured. E-MAILED BIDS WILL BE CONSIDERED UNRESPONSIVE. The bids shall be delivered in person, by the Bidder or his agent, at the time and place stated. Then click on Bids and Contracts. Bid Results will not be given out over the telephone. You are requested to access the County website for this information. If you are not in attendance at the bid opening, please be patient while we process and post the results. Results will typically be posted within 24 hours after the bid opening. Please note that all construction projects over \$250,000 advertised after July 17, 2008 will be subject to training requirements pursuant to Section 220-h of the NYS Labor Law. Please note that all construction contracts involving construction, reconstruction, improvement, rehabilitation, installation, alteration, renovation, demolition of, or otherwise providing for any building, facility or physical structure of any kind with a value in excess of \$250,000 will be subject to Apprenticeship Training Program requirements pursuant to Article 23, Section 816b of the NYS Labor Law and Suffolk County Resolution No. 1866-2014, specifically requiring graduate of apprentice(s) in the trade(s) called for within the construction contract within specified time period preceding the bid date of project. All Bidders of Responsibilities Required by the Nys Governor's Office of Storm Recovery (Gosr) and Nys Division of Homeland Security and Emergency Services ("dhses"). # The Commissioner of Public Works reserves the right to reject any and all bids. Any questions regarding this project shall be directed to Adriana Restrepo, P.E. via email at Arestrepo@db-eng.com and cc Janice McGovern, P.E. (Chief Engineer) at Janice.McGovern@suffolkcountyny.gov 108-8 AND 108-11 Installation of approximately 670 individual grinder pump units (GPU) and electrical services, and gravity connections from the existing waste line of each residential home to the isolation valve installed under a previous contract, as well as the closure of the existing sewage disposal systems and the restoration of all disturbed areas.

Size 1 building

Scope Renovation of a mixed-use development in Lynbrook, New York. Completed plans call for the renovation of a educational facility. Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the LYNBROOK UFSD that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. Performance Bonds and Labor/Material Bonds, as called for in the General Conditions are a requirement of each contract. The LYNBROOK UFSD reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/ or to accept any bid in whole or in part and/ or to award or not award the contract, if in the opinion of the LYNBROOK UFSD, the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2021, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.

Size 3 buildings

Scope Site work and paving for a civil project in Long Beach, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; and water / sewer project. This project is being financed with HUD funds administered by the NYS Governor's Office of Storm Recovery (GOSR) Attention of bidders is particularly called to Section 3 requirements, MWBE goals. This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR"). Attention of bidders is particularly called to Section 3 requirements, 1 M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. See Instructions to Bidders for additional information. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by Bid Security in the form of a certified check, bank check, or bid bond in the amount of ten percent (10%) of the total amount of the bid. No later than forty-five (45) days after the bid opening, the Municipality shall accept bids or reject all bids. After the bid opening, a bid may not be withdrawn prior to the date that is forty-five (45) days after such bid opening. The Municipality reserves the right to reject any or all bids, and advertise for new bids, if in its opinion the best interest of the Municipality will hereby be promoted. No bid will be considered from any person who is in arrears to the City, or who is in default as surety or otherwise upon any obligation to the City, nor shall a bid be considered from any contractor whose performance on any previous contract with the City has been unsatisfactory in the opinion of the City Council. A contractor whose performance has been unsatisfactory shall not be deemed a responsible qualified bidder. In accordance with Section 135 of NYS Finance Law this is a Wick's Law project: Contract G-General Construction Contract E-Electrical Work shall include but not limited to: removal of existing pavement, excavation, furnish and laying of pipe, landscaping, and all work required for complete installation of sewers. When necessary, the contractor will be responsible for repositioning or readjusting of existing utilities Service-Disabled Veteran-Owned Set Aside: No Minority Owned Sub-Contracting Goal: 15% Women Owned Sub-Contracting Goal: 15% Contract term: 300 Days Bidders must satisfy themselves by personal examination of the site of the proposed work and shall not at any time after the submission of a bid or proposal, dispute or complain nor assert that there was any misunderstanding in regard to the nature or amount of the work to be performed. Please note that contracting any other agency staff regarding this contract may be a violation of state or municipal law, rule or regulation, resulting in a determination of contract non-responsibility. The completion date for this project is 300 days after Bidder receives a notice to proceed with construction from the Municipality. Liquidated damages will be assessed for each day of delay of the contract in the amount of one thousand (\$1,000) dollars per calendar day. The successful bidder will be required to furnish a Performance Bond and a Payment Bond in the statutory form of public bonds required by Section 137 of the State Finance Law, each for one hundred percent (100%) of the amount of the Contract. The City reserves the right to reject any and all bids received, to waive informalities and also reserves the right to increase, decrease, omit any portions of the Specification. The City will award the Contract to the lowest responsible bidder qualified by past experience to satisfactorily perform the required work of this contract and furnishing the required security. Any Contractor submitting a bid must be able to proceed with the detailed work immediately upon Notification to Proceed, and must complete all work within the project duration indicated.

Each proposal must be accompanied by a certified check or bid bond payable to the Town of Hempstead for not less than 5% of the estimated amount of the bid The Town of Hempstead reserves the right to reject any or all bids. Federal equal opportunity and labor standards are applicable for all work performed under this Contract. Minority owned, women owned and disabled veteran owned businesses are encouraged to submit proposals. In accordance with Town policy, if the amount bid exceeds \$250,000.00, the bidder on this project must have an Apprenticeship Program(s) in effect pursuant to Chapter 3 of the Code of the Town of Hempstead, appropriate for the type and scope of work to be performed, approved by the New York State Commissioner of Labor. Failure to have said Apprenticeship Program(s) in place at bid submittal will result in the bidder being deemed non-responsive. The Project Scope of Work includes new concrete curb with gutter, new concrete driveway aprons, restoration of existing walks and grass areas; construction of new timber and vinyl bulkhead for shoreline stabilization, new asphalt roadways constructed at higher elevations, and restoration of affected adjoining private property areas. The goal of the Project is to reduce the frequency and severity of roadway flooding caused by tidal events. Contract Term: 90 Days

Owner	Owner

Size 7,500 square feet, 6 stories, 10 units, 2 buildings
Scope Demolition, site work and new construction of a multi-residential development in New York, New York. Completed plans call for the construction of a 7,500-square-foot, four-story above grade, 10-unit multi-residential development; and for the demolition of a two-story above grade multi-residential development. Construction of a new four-story residential building in Brooklyn. The building will have ten residences at a total of 7,500 SF. The masonry structure will also have a cellar and a penthouse. As of November 5, 2020, an application was submitted to the New York City Building Department on November 2, 2020. An architect has been selected. The design is starting plan review. The Owner is currently requesting interested general contractors to contact him to start the negotiating process as soon as possible. Although a firm timeline for construction has not been determined, it is not expected to begin prior to second quarter 2021 since plans are pending approvals. Please note: The Owner is interested in being contact by interested General Contractors at this time to review qualifications. The due date is a place holder until a general contractor is selected and contracted to do the work.

Perf:100.00%,Pay:100.00%	Owner	Owner	Plans, Specs
Size	4 buildings		
Scope	Demolition, site work, paving and new construction of a bridge / tunnel in Garden City, New York. Completed plans call for the demolition of a bridge / tunnel; for the construction of a bridge / tunnel; for site work for a bridge / tunnel; and for paving for a bridge / tunnel. C&D requires the services of a design/build contractor to provide design, engineering and construction services for this Project. The Contractor shall utilize the provided Technical Design Documents (which includes the 30% Design Drawings) to prepare the 60%, 90%, and 100% Final Design packages in accordance with the requirements in this RFP. The bridge carries LIRR's Hempstead Branch, which is double track electrified (third rail) territory at this location. The bridge is located at Mile Post 18.2 between the Nassau Boulevard and Garden City stations and was built in 1871. It has one (1) span with a total bridge length of approximately 86 feet. The bridge is open deck with standard bridge timbers and rests on stone masonry abutments. The tracks are tangent across the bridge with timetable speed of 60 mph (FRA Class 3). When the bridge was constructed in 1871, the vehicular traffic below was significantly different than what it is today. With the current vertical clearance posted at 10'-4" (surveyed at minimum 11'-6") bridge strikes by vehicles have been a common occurrence at this location. The age of the bridge and the frequency of bridge strikes have made replacement a priority. The Cherry Valley Road Bridge shall meet all applicable NYSDOT vertical clearance requirements to the street below (14'-0). Goals: 20% DBE Contract Term: 720 Days after Notice of Award to Substantial Completion

Size 1 building
Scope Site work for a civil project in Astoria, New York. Completed plans call for site work for a water / sewer project. As of August 2017, the New York City Mayor's Office of Contract Services (MOCS) has launched the Procurement and Sourcing Solutions Portal (PASSPort), a new procurement system that will replace the paper - VENDEX process. All organizations intending to do business with the City of New York should complete an online disclosure process to be considered for a contract. Since you have submitted a bid to NYC Dept. of Design and Construction, we are requesting that you create an account and enroll in PASSPort and file all disclosure information. Paper submissions, including Certifications of No Change to existing VENDEX packages will not be accepted in lieu of complete online filings. This procurement is subject to Minority-Owned and Women-Owned Business Enterprises (MWBE) participation goals as required by Local Law 1 of 2013. All respondents will be required to submit an M/WBE Participation Plan with their response. For the MWBE goals, at portal. Estimated Range \$5,000,000-\$10,000,000 *This project timeline has been extended due to the public health crisis.

Details [Division 2]: Hazardous Material Abatement, Paving & Surfacing, Water Systems, Landscaping. [Division 3]: Concrete Formwork, Concrete Reinforcement, Structural Concrete. [Division 4]: Marble. [Division 5]: Structural Steel. [Division 9]: Tile, Painting. [Division 13]: Ground Storage Tanks. [Division 14]: Elevators, Material Handling Systems, Hoists & Cranes. [Division 15]: Ductwork.

Notes Bid Date: 01/26/2021 11:00AM bid date extended from 01/12/2020 to 01/26/2020. Fetto Enterprises is only requesting pricing from Union Contractors. Please send all bids to Glenn at estimating@perffettoent.com* An addendum will be sent, at least 5 days prior to the Bid Due Date, with the updated Bid Due Date, Bid Opening Date, and procedures for submitting and opening bids while maintaining the required social distancing. Size 1 building

Scope Renovation of a mixed-use development in New York, New York. Completed plans call for the renovation of a educational facility. All work on this contract is to be completed within (180) calendar days, starting ten (10) calendar days after the contract approval date of the New York State Comptroller. Bidding and Contract Documents may be examined free of charge at the campus at: SUNY Downstate Health Sciences University, Contracts and Procurement, 440 Lenox Ave, Apt 2L, Brooklyn, NY 11203. RFI's (Request for Information; technical questions and administrative questions) are to be submitted in writing via email to nana.ankamah@downstate.edu, by Thursday, January 7th, 2021 at 4:00 p.m. RFI Responses - responses to questions will be emailed by Tuesday, January 12th, 2021. Bidders are advised to pay close attention to the bid submission date, time, and other requirements set forth to prevent disqualification from consideration. A bidder must demonstrate, to the satisfaction of the University, that it has successfully completed three (3) contracts similar in size, scope and complexity to this contract within the last five (5) years. For scope and complexity, similar work is defined as, "mechanical upgrades, demolition, and building renovation work, and as further described in the General Requirements, Description of Work. All prospective bidders must demonstrate to the satisfaction of the University that they have the skill and experience, as well as the necessary facilities, ample financial resources, ability to manage staff and subcontractors effectively, ability to anticipate and plan construction work for optimal progress, ability to create, strive for and maintain working environments and relationships that are constructive, communicative and cooperative, organization and general reliability to do the work to be performed under the provisions of the Contract in a satisfactory manner and within the time specified. Each bidder must demonstrate to the satisfaction of the University that it has working capital available for the Project upon which it is bidding in an amount equal to 15 percent of the first \$100,000 of the amount of its Base Bid plus 10 percent of the next \$900,000 plus 5 percent of the remainder of its Base Bid. Working capital is defined as the excess of current assets over current liabilities. The University defines current assets as assets which can be reasonably expected to be converted into cash within a year, and current liabilities as debts which will have to be paid within a year. Section 143 of the State Finance Law requires payment of a deposit to receive these documents. Accordingly, a deposit check of \$ 49 made payable to SUNY Downstate Health Sciences University, is required. Deposits less than \$50.00 are nonrefundable. Bids must be submitted in duplicate in accordance with the instructions contained in the Information for Bidders. Security will be required for each bid in an amount not less than five (5) percent of the Total Bid. It is the policy of the State of New York and the State University of New York to encourage minority business enterprise participation in this project by contractors, subcontractors and suppliers, and all bidders are expected to cooperate in implementing this policy. It is the policy of the State of New York and the State University of New York to encourage minority business enterprise participation in this project by contractors, subcontractors and suppliers, and all bidders are expected to cooperate in implementing this policy. Contract Goals have been determined for this Project as follows MBE goal: 23%; WBE Goal: 7% for a total MWBE Goal: 30%. A directory of New York State Certified Minority and Women's Business Enterprises is available from: Empire State Development Corporation, Minority and Women's Business Development Division at: portal. to assist potential bidders in locating sources of M/WBE subcontractors and reaching these goals. The designated M/WBE contact for this procurement solicitation is Edmund Folkes, MWBE Coordinator, (718) 270-1378, Edmund.folkes@downstate.edu and is available to further assist potential bidders in reaching these goals. Additionally, bidders for this contract for services are strongly encouraged and expected to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive Service-Disabled Veteran-Owned Businesses (SDVOBs) in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, proteges or other supporting roles. SDVOB Contract Participation Goals have been established at 6%. The State University of New York reserves the right to reject any or all bids. Service-Disabled Veteran-Owned Set Aside: No Contract term: 180 Calendar Days

Notes Pre-Bid Meeting: 01/12/2021 10:00AM Date changed by addendum 1. A Non-Mandatory Pre-bid Conference and Project Walk-through will be held at the main lobby of 450 Clarkson Ave, Brooklyn, NY 11203. Bid Date: 01/28/2021 02:00PM Date changed by addendum 1. The State University of New York at Suny Downstate Health Sciences University will receive sealed bids for project number 1480; Titled HSEB MI Lab Upgrade. Submit bids to the office of Ms. Nana Ankamah, Contracts Officer, Contracts and Procurement, 450 Clarkson Avenue, MSC 63, Brooklyn, NY 11203. The proposals will then be publicly opened and read aloud at 440 Lenox, Apt 2L, Brooklyn, NY 11203. Development include(s): Renovation

Scope Site work for a water / sewer project in Yaphank, New York. Completed plans call for site work for a water / sewer project. The Division of Environmental Quality (the "Division" of the Suffolk County Department of Health Services ("Department")) is soliciting quotes from qualified vendors ("Vendor(s)") to provide prices for the Materials and Installation of Approved Innovative and Alternative Onsite Wastewater Treatment Systems ("I/A OWTS", as further described in this Solicitation of Quotes ("SOQ"). For the purpose of this SOQ, Vendors are defined as manufacturers of I/A OWTS, their representatives, or installers of I/A OWTS, but all Vendors must be in good standing with all required licenses, including, but not limited to, possessing an active Liquid Waste with Endorsements 9 & 10 issued by the Suffolk County Department of Labor, Licensing, and Consumer Affairs pursuant to Article VII of Chapter 563 of the Laws of Suffolk County, as may be

amended. Failure of a Vendor to acquire and maintain a required license in good standing shall result in removal from the List. The Department encourages more than one Vendor per I/A OWTS technology respond to this SOQ. Technical Questions Due: Will be accepted, in writing (fax/email acceptable) on a rolling basis until 3:30pm on Friday, September 24, 2021. The Department of Health Services anticipates issuing addendums as necessary to respond to such questions. Reject or cancel any or all quotes or any part thereof submitted in response to this SOQ;

Size 4 buildings

Scope Demolition, site work, renovation and addition to an educational facility in Uniondale, New York. Completed plans call for the addition of a educational facility; for the demolition of a educational facility; for the renovation of a educational facility; and for site work for a educational facility. **As of December 30, 2020, the project has not yet been awarded. The anticipated award date is by 15th of January 2021. Bidders deposit will be refunded if the set is returned in good condition within thirty (30) days following the award of the contract or the rejection of the bids covered by such plans and specifications. Non-bidders shall receive partial reimbursement, in an amount equal to the amount of the deposit, less the actual cost of reproduction of the documents if the set is returned in good condition within thirty (30) days following the award of the contract or the rejection of the bids covered by such plans and specifications. Any bidder requiring documents to be shipped shall make arrangements with the printer and pay for all packaging and shipping costs. Bids must be made in the standard proposal form in the manner designated therein and as required by the Specifications that must be enclosed in sealed envelopes bearing the name of the job and name and address of the bidder on the outside, addressed to: UNIONDALE UNION FREE SCHOOL DISTRICT, clearly marked on the outside: Bid For: Addition and Interior Renovations at Smith Street Elementary School, and which contract(s). Total MWBE Participation Goals: 30% Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the UNIONDALE UNION FREE SCHOOL DISTRICT, in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. Each bidder shall agree to hold his/her bid price for sixty (60) days after the formal bid opening It is the Board's intention to award the contracts to the lowest qualified bidder providing the required security who can meet the experience, technical and budget requirements. The Board reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Board, is in the best interests of the School District. Uniondale Union Free School District is an Equal Opportunity Employer. Women, minorities, individuals with disabilities, and veterans are encouraged to apply. Bidder shall comply with equal employment opportunity requirements and antidiscrimination laws, and be able to demonstrate its commitment to working with minority and women-owned businesses

through joint ventures or subcontractor relationships. Addition #1 Construction Start: Anticipated December 7, 2020 | Substantial Completion: December 6, 2021 (12 Month Duration) Addition #2 Construction Start: Anticipated December 7, 2020 | Substantial Completion: December 6, 2021 (12 Month Duration) Interior Renovations 2021 Construction Star: June 28, 2021 | Substantial Completion: August 25, 2021
