Construction Reports That Make Sense

CONTENTS-BY PROJECT STATUS

Planning Section

Page 4

Projects being planned for future construction. Plans are currently being drawn up. Negotiations may be underway with general contractors. These reports are updated as significant changes occur.

Negotiated Section

Page 8

Private sector projects where the general contractor has been selected, or where the owner plans to contract with subs directly. Projects may be in the planning stage, or out for sub-bids on an informal ASAP basis.

Bidding Section

Page 19

A complete BID CALENDAR in every issue. Projects with a bid date established are listed according to bid date, along with all general contractor bidders.

Post Bid Section

Page 39

The names and bid amounts of the three lowest bidders are listed on general trade jobs.

ConstructConnect is committed to providing products and services at the highest level. If you have a question, comment or suggestion, please let us know how we can help!

WELCOME TO THE RECENTLY RENOVATED CONSTRUCTCONNECT BULLETIN!

ConstructConnect is proud to launch our ConstructConnect Bulletin, which coincides with our expanding role as the leader in preconstruction technology. Once again, we've combined the best resources — CMD Bulletin, Construction Data and Construction News — into a single bulletin to ensure you have everything you need to succeed.

You'll find all the same great information that

you've come to depend upon in these pages — just with a fresh look and new layout.

Our customer support team is eager to help you. Contact us at 1.877.422.8665 or CustomerCare@ConstructConnect.com let us know how we can help you be more successful.

Thank you for your business, your confidence and your trust.

 Multiple Locations Value: \$129,000 Pre-Design
 Hauppauge, Suffolk Co NY
Est. Start: 02/2022

Available Online
Specs

Size 4 buildings
Scope Site work and paving for a mixed-use development in Hauppauge, New York. Conceptual plans call for site work for a road / highway; for paving for a road / highway; sidewalk / parking lot; and sidewalk / parking lot. The Suffolk County Office of Central Procurement, on behalf of the Suffolk County Department of Economic Development and Planning invites Proposals from qualified entities to provide Planning and Conceptual Design services for active transportation / complete street projects at multiple locations within Suffolk County. This project builds on the Suffolk County Hike and Bike Master Plan completed in March 2020, and advances implementation of plan recommendations by completing planning and conceptual design on seven identified projects. The selected proposer shall have experience in planning and design of pedestrian and bicycling infrastructure, public and stakeholder engagement, development of construction cost estimates, and coordination with state and federal resource agencies, as they relate to the project. The project will result in multiple conceptual design alternatives for each location, preliminary cost-estimates, and implementation strategies for the County's and stakeholder's consideration. Timeline Technical questions due by January 7, 2021 by 3:30 PM
Details [Division 10]: Interior Signs.
Notes Pre-Bid Meeting: 01/26/2021 11:00AM Non-Mandatory Proposers Conference held via Zoom. Development include(s): Paving, Site Work
Owner Suffolk County 100 Veterans Memorial Hwy. Hauppauge, NY 11749, Ph 631 853-4000
Owner Suffolk County - Purchasing Office 335 Yaphank Ave. Yaphank, NY 11980, Ph 631 852-5196, Fax 631 852-5221

RFQ engineering - Design Services, Merging of Sunrise Highway (NY 27) Oakdale (Alt) 1005780036
 NY-27 Value: \$2,000,000 (est) Pre-Design
 Islip, Suffolk Co NY
Est. Start: 01/2022; Completion: 01/2028
Size 2 buildings
Scope Site work and paving for a road / highway in Islip, New York. Conceptual plans call for site work for a road / highway; and for paving for a road / highway. The Department anticipates designating only one Firm for this contract. Designation(s) will be made from one shortlist with this contract number being designated to the highest ranked firm, and any additional designations being made in order from the same shortlist starting with the second ranked firm. This project will follow the Department's electronic selection process. Interested firms should not submit any paper or electronic response at this time. Details regarding this project, including selection factors and weights, will be posted on the NYSDOT website (http://www.dot.ny.gov) as soon as they are available. Go to the Business Center page, and then click the link to Detailed Ads found under Engineering Services. The due date for the Electronic Expression of Interest (EOI) for this project has not yet been established. It will be in the advertisement details that will be posted at NYSDOT's website. Information regarding the electronic selection process is also available from the Business Center at the DOT website. Consultants who have not yet submitted an electronic inventory to be used in the selection process must first register in the CSSWeb application. Registered Consultant firms may then proceed to complete the electronic inventory. In order to submit an Electronic EOI for this project, consultants must have an active electronic inventory in place. It is recommended that consultants prepare and submit their electronic inventory as soon as possible, but at least one week prior to the due date for an EOI. Under the requirements of the State Procurement Act all communications regarding advertised projects are to be channeled through the Office of Contract Management (* Designated Contacts). Until a contract is approved by the State Comptroller contact with any other NYSDOT employee concerning this project should not be made unless otherwise directed by the Office of Contract Management. Communications made contrary to this policy and deemed an attempt to influence the outcome, may result in disqualification. Compliance Procurement Lobbying Law Required Forms: The consultant shall sign and attach the following forms as part of and due with the consultants EOI. Participation in a pre-proposal conference Protests, complaints of improper conduct or misrepresentation If any other NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee. If the Department determines an impermissible contact was made, that offerer cannot be awarded the contract. A second violation would lead to a four-year bar on the award of public contracts to the offerer. Contacts after designation - NYSDOT identifies its primary negotiation contacts. The designated contacts include: The Contract Management Negotiation Analyst The Contract Management Negotiation Analyst Supervisor The Contract Management Assistant Directors The Contract Management Director The Consultant Job Manager The Contract Management Civil Rights Unit Supervisor The Contract Management Administrative Staff The Consultant Job Manager's immediate Supervisor Individual(s) that the Department may identify at or after designation. The law does not limit who may be contacted during the negotiation process. However, if any NYSDOT employee is contacted and they believe a reasonable person would infer that the communication was intended to influence the procurement, the contact must be reported by the NYSDOT employee. Information Required from Offerers that contact NYSDOT staff, prior to contract approval by the Office of the State Comptroller: The individuals contacting NYSDOT should refer and shall be prepared to provide the following information, either by e-mail or fax as directed by NYSDOT: Person's name, firm person works for, address of employer, telephone number, occupation, firm they are representing, and whether owner, employee, retained by or designated by the firm to appear before or contact employee, retained by or designated by the firm to appear before or contact the NYSDOT. Applicability to an executed contract Restrictions similar to those described above apply to approval or denial of an assignment, amendment (other than amendments that are authorized and payable under the terms of the procurement contract as it was finally awarded or approved by the comptroller, as applicable), renewal or extension of a procurement contract, or any other material change in the procurement contract resulting in a financial benefit to the offerer. The staff noted above as well as the project manager and consultant manager are considered designated contact persons. Service-Disabled Veteran-Owned Set Aside: No Service-Disabled Veteran-Owned Business Contracting Goal: 30% The method of contractor selection has not been determined at this time. Request for proposals for design services is underway.

Scope

Renovation of a mixed-use development in Lynbrook, New York. Completed plans call for the renovation of a educational facility. Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the LYNBROOK UFSD that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. Performance Bonds and Labor/Material Bonds, as called for in the General Conditions are a requirement of each contract. The LYNBROOK UFSD reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/ or to accept any bid in whole or in part and/ or to award or not award the contract, if in the opinion of the LYNBROOK UFSD, the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2021, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.

The list may be ordered from the Government Printing Office Bookstore, 26 Federal Plaza, Room 110, New York, NY 10278, (212) 264-3825. The

NEGOTIATED

Bidder to whom the OWNER proposes to award the Contract will be required to furnish performance and payment bonds and the necessary insurance certificates as prescribed in the General Conditions and the Supplementary Conditions within ten (10) days of the Notice of Award. Each Bidder must complete and submit with his/her bid the "Iranian Investment Activities Certification" provided in the Bid Form in compliance with General Municipal Law 103-g, Iranian Energy Sector Divestment. Each Bidder must complete and submit with his/her Bid the "Certification of Compliance with New York State Labor Law Section Two Hundred One-G" provided in the Bid Form regarding the implementation of a written policy addressing sexual harassment prevention in the workplace. The Bidder to whom the OWNER proposes to award the Contract will be required to furnish performance and payment bonds and the necessary insurance certificates as prescribed in the General Conditions and the Supplementary Conditions upon the execution of the Agreement. Bidders are required to execute a non-collusive bidding certification required by Section 103-d of the General Municipal Law of the State of New York. The attention of Bidders is particularly called to the requirements as to the conditions of employment to be observed and the minimum wage rates to be paid under the contracts. Bidders are also required to comply with the anti-discrimination provisions of Sections 290-301 of the Executive Law of the State of New York. The OWNER reserves the right to reject any or all of the Bids received, to readvertise for Bids, to abandon the project, to waive any or all informalities in any Bid received and to accept any proposal which the OWNER decides to be for the best interest of the OWNER. Note: All questions must be submitted, in writing, to Kevin Law, no later than 4:00 p.m. on January 8, 2021. Questions must be faxed to (516) 364-9045 or sent via email to klaw@db-eng.com.

Size 1 building

Scope Renovation of an educational facility in Massapequa, New York. Completed plans call for the renovation of a educational facility. Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the MASSAPEQUA UNION FREE SCHOOL DISTRICT, in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. Each bidder shall agree to hold his/her bid price for forty-five (45) days after the formal bid opening. It is the Board's intention to award the contracts to the lowest qualified bidder providing the required security who can meet the experience, technical and budget requirements. The Board reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Board, is in the best interests of the School District.

Notes Bid Date: 01/12/2021 10:00AM Sealed Proposals at the Purchasing Office of Massapequa UFSD, located at 4925 Merrick Road, Massapequa, NY 11758. If proposals are submitted via delivery service (i.e. Fed-ex, UPS, in-person), building staff will be available to accept deliveries between the hours of 9 am and 3:30 pm Monday through Friday. If bids are submitted in person a drop box will be located within the purchasing office receptionist's lobby. Size 1 building
Scope Renovation of an educational facility in Lido Beach, New York. Completed plans call for the renovation of a educational facility. Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the LONG BEACH PUBLIC SCHOOLS that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. Performance Bonds and Labor/Material Bonds, as called for in the General Conditions are a requirement of each contract. The LONG BEACH PUBLIC SCHOOLS reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/ or to accept any bid in whole or in part and/ or to award or not award the contract, if in the opinion of the LONG BEACH PUBLIC SCHOOLS the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2021, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. . By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.

Scope

Renovation of a mixed-use development in East Hampton, New York. Completed plans call for the renovation of a educational facility. Separate sealed bids for the: District-Wide Telephone Replacement at the Springs Union Free School District - Re-Bid. The Contract Documents may be examined at the Office of the Architect, BBS Architects, Landscape Architects and Engineers, P.C., 244 East Main Street, Patchogue New York, (631-475-0349); however, the Contract Documents may only be obtained through the Office of REV, 330 Route 17A Suite #2, Goshen, New York 10924 (877-272-0216). Complete digital sets of Bid Documents may be obtained online via download for a forty-nine dollar (\$49.00) non-refundable deposit, in the form of CREDIT CARD. Bidding Document costs are refundable provided the documents are returned to the REV/Plans within thirty (30) days of the Bid Opening, and are in COMPLETE, UNMARKED and NOT TORN condition. The Contract will be awarded to the lowest responsible bidder or the proposals will be rejected within 45 days of the date of opening proposals. Bids shall be subject, however, to the discretionary right reserved by the School District to waive any informalities, accept or reject any alternatives, reject any proposals and to advertise for new proposals, if in its opinion the best interest of the School District will thereby be promoted. Each bid shall remain open for 45 days after the formal opening thereof. At any time prior to the bid opening date, a bidder may withdraw his bid by requesting the bid withdrawal in writing. All work required to install and configure a complete data network infrastructure system as described previously will be the Division 16 contractors responsibility. The work included under this specification consists of furnishing all labor, equipment, materials/supplies and performing all operations necessary to complete the installation of this structured cabling system in compliance with the specifications and drawings. The Division 16 contractor will provide and install all of the required material to form a complete system whether specifically addressed in the technical specifications or not. Commence Construction: DW Telephone Replacement - February 15, 2021 All Work Substantially Complete: DW Telephone Replacement - July 23, 2021 Final Punch List / Closeout: DW Telephone Replacement - August 13, 2021

Scope

Site work for a water / sewer project in Northport, New York. Completed plans call for site work for a water / sewer project. Contractor shall provide all personnel, equipment, materials, tools, vehicles, supervision, and other items and services required to perform maintenance dredging by mechanical means of the entrance channel into the mooring basin of CG Station Eaton's Neck. It also includes all efforts required for placing the material along a nearby shoreline and incidental related work. The total estimated amount of material to be removed from the channel is 6,000 cubic yards of sand, gravel and cobbles. Dredging work is restricted to mechanical methods. Due to the scheduling restrictions in the NY DEC dredging permit, all dredging work shall be completed no later than March 24th 2021. All work shall be accomplished in accordance with the project specifications (PSN 6642216), Department of Army Permit (NAN-2016-00301), New York DEC Permit (1-4726-00545/00022) (See Appendix A of the Specifications). The dredge spoils shall be disposed at the west 400 feet of the US Coast Guard Beach Site per the USACE and NY DEC permits. Additional work requirements are herein. In the event that the post-dredge survey indicates that the specified dredge limits have not been met by March 24th, the contractor shall use the time remaining in the month of March to correct the deficiencies. No work is permitted after March 31st due to permitting and environmental restrictions. SPECIAL NOTES: Conduct dredging operations so that navigation through the channel is possible at all times. Dredge quantity of 6,000 cubic yards is an estimate based on an average of the annual dredging over the past 5-years. The Contractor shall provide a cost for dredging per cubic yard. That per cubic yard cost will be used for any necessary contract cost adjustment resulting from dredging more or less than the estimated 6,000 cubic yards, within the limits of dredge. Contractor will be compensated for actual quantity of dredge material removed and disposed, within the limits of dredge, as shown on the plans and specifications. Dredge disposal site location is to be the west 400 feet of the Coast Guard Beach, as identified in ACOE Permit # NAN-2016-00301. The period of performance for the project is 110 calendar days from issuance of Notice to Proceed. Applicable permits do not allow work between April 1 and September 1 of any calendar year. All dredging

NEGOTIATED

work shall be completed no later than March 24, 2021. In the event that the post-dredge survey indicates that the specified dredge limits have not been met by March 24th, the contractor shall use the time remaining in the month of March to correct the deficiencies. No work is permitted after March 31st due to permitting and environmental restrictions. The estimated value of the procurement is between \$250,000 and \$500,000. Performance and Payment bonds will be required. Solicitation packages will be available on or about 3 December 2020. The tentative date set for receipt of bids is scheduled for 5 January 2021 at 2:00 pm. The applicable North American Industry Classification System (NAICS) code is 237990, Dredging and Surface Cleanup Activities, with a small business size standard of \$30.0 Million. This acquisition is issued pursuant to FAR Part 14 Sealed Bidding and is 100% Set-Aside for Small Business concerns. All relevant solicitation documents, including specifications and drawings may be accessed for download beginning on the date of issue at the following site: <https://beta.sam.gov>. To receive immediate notification of all changes posted electronically, vendors should click on "Register to Receive Notification". All vendors interested in teaming or subcontracting for this solicitation, should click on "Register as Interested Vendor". In order to view a list of interested vendors, interested parties should click on "View List of Interested Vendors". A list of interested vendors is only available by registering electronically for this solicitation. Vendors MUST be registered in the System for Award Management database through <https://www.SAM.gov> in order to receive a federal government contract.

Size 4 buildings

Scope Site work and paving for a mixed-use development in Hempstead, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; sidewalk / parking lot; and sidewalk / parking lot. It is proposed to resurface all or part of the following roadways in the Town of Hempstead Merrick Avenue (Sunrise Highway to Camp Avenue in the hamlet of Merrick), Merrick Avenue (Camp Avenue to Henry Road in the hamlet of North Merrick); in the Towns Hempstead and North Hempstead Old Country Road (Zeckendorf Boulevard to Merrick Avenue/ Post Avenue in the hamlets of Carle Place and East Garden City, and the Village of Westbury); in the Town of Oyster Bay: West Old Country Road (Charlotte Avenue to the West meetline of SR 106 in the hamlet of Hicksville), West Old Country Road (East meetline of SR 106 to the West meetline of SR 107 in the hamlet of Hicksville). The work includes asphalt pavement removal up to a depth of 2.00 +/-, placement of 2.00 +/- of asphalt concrete overlay, removal and replacement of deteriorated pavement, repair of joints, replacement of pavement markings and traffic loops, modification of pedestrian ramps for compliance with ADA requirements and other incidental work. This Contract will be subject to Nassau County Local Laws No. 14-2002, Participation by Minority Group Members and Women in Nassau County Contracts, which requires submission of a Utilization plan prior to the award of a County contract, No. 2-2016, Participation of Service-Disabled Veterans in County Contracts, and No. 9-2002, as amended by No. 3-2015, which require that firms entering into contracts with Nassau County MUST participate in registered and approved apprenticeship training programs and as per Labor Law 220.3e NYSDOT recommends that all bidders have approved apprenticeship or On job Training (OJT) prior to bidding, unless such requirement are supplanted by requirements specified in the bidding instructions. At the time of bid submission, the Contractor shall submit, as part of its bid, documents in compliance with Title 51 of the Nassau County Miscellaneous Laws demonstrating participation in approved apprenticeship training programs that are appropriate for the type and scope of work to be performed pursuant to the Contract. Such apprenticeship training programs appropriate for the scope of this Contract shall include, but are not limited to the following Laborers, Electricians, Carpenter, Operating Engineer or any other trade appropriate for the type of work proposed. The apprenticeship training programs shall be registered with, and approved by, the New York State Commissioner of Labor in accordance with Article 23 of the New York State Labor Law. Note that if the Contractor does not comply with these requirements, the Commissioner may declare the Contractors bid proposal non-responsive and award the Contract to the next lowest responsible Bidder. Contract awarded as soon thereafter as practicable for Nassau County Department of Public Works. In order to ensure that you are submitting bids based on the plans and specifications provided by the Department, please be advised that the Department will only accept bids from bidders who are on the List of Bidders who purchased the plans and specifications from the Department Please be advised the DBE goal for the subject County Federal Aid Project was set at 10%, the EEO Female Participation Goal is set at 6.9%, and the EEO Minority Participation Goal is set at 5.8%. Questions must be submitted no later than 4:00 P.M. on Tuesday, December

15, 2020 All questions should be directed to Garry Desyr at GDesyr@nassaucountyny.gov. In order to comply with New York State Executive Order 202.11, which reads, in part I hereby temporarily suspend or modify, for the period from the date of this Executive Order Section 103(2) of the General Municipal Law, Section 144(1) of the State Finance Law, Section 376(8)(a) of the Education Law, and Section 359(1) of the Public Authorities Law to the extent necessary to allow the non public opening of bids; provided, however, that, where practical, public entities shall record or live stream bid openings so that the public has the opportunity to view such bid openings; No public, including vendors, will be allowed to be present for the bid opening for the identified contract scheduled to take place at 1550 Franklin Ave. in Mineola at 10:30 am. No interpretation of the meaning of the Drawings, Specifications or other Contract Documents will be made to any Bidder orally. Prospective bidders must request in writing such interpretation from the Commissioner and such interpretation will be given in writing in the form of written addenda, to all prospective bidders, in accordance with the Instructions to Bidders, Item G. Copies of the Contract Documents will be available at the time and place indicated, for review prior to purchase. Further more, for review only, a downloadable set of the technical specifications can be found electronically at no charge for all registered users. The downloadable set only provides technical specifications and does not contain all the forms necessary for bidding. A non-refundable fee of \$300.00 by check or money order, payable to the Nassau County Treasurer, will be required for each set of Contract Documents requested. Prospective bidders requesting Contract Documents by mail must remit an additional, non-refundable, fee of \$30.00 per set to cover handling and first-class mailing. Only Bid Proposals Purchased in This Manner Will Be Accepted/Considered. In addition, any vendor submitting an offer for this solicitation should submit the required vendor disclosures in the Vendor Portal as well. Security or Bid as set forth herein must be presented with the Bid. Failure to Provide the Required Security Will Render the Bidder Non-responsive and the Bid Will Not Be Accepted, Opened or Read Aloud. In Addition, if the Bid Requires Submission of Subcontractor Information, Failure to Provide the Required Information at the Time of Bid Opening May Render the Bidder Non-responsive.

Size 4 buildings

Scope Site work and paving for a mixed-use development in Westbury, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; sidewalk / parking lot; and water / sewer project. CR Number - 2070415 GOSR Island Park Downtown Revitalization and Complete Streets Intersection and mid-block bulb-outs are being proposed in this downtown segment as a way to improve pedestrian accommodations, calm traffic and create an overall safer environment. The pedestrian or sidewalk bulb-out is an extension of the curb and sidewalk into the shoulder area of the roadway, narrowing the vehicular path, which will decrease the travel for pedestrian crossings. As part of the reconstruction and design process, all proposed sidewalks, aprons and curb ramps will be reconstructed to meet the current ADA/PROWAG standards for pedestrian accommodations. The proposed drainage mitigations will include a mix of conventional and green infrastructure designs. The new drainage structures will collect the storm water runoff to the south and to separately collect the north runoff. These systems need to be separated due to the high point on Long Beach Road and based on the limited elevations and to meet existing inverts. It is proposed to connect to the system on Warwick Road and also connect to the system that continues to the north along Long Beach Road. As part of the project, the roadway riding surface will be replaced to improve the ride quality as well as the aesthetics of the downtown area. The roadway will require a large amount of reconstruction in areas where the bulb-outs are construction, new drainage structures and pipes are placed. All questions regarding this solicitation shall be submitted by e-mail and, if deemed necessary will be clarified by addendum issued to all respondents. No questions will be answered verbally. E-mails shall be sent to the attention of Joseph Cuomo, Planning Division, Dept. of Public Works at jcuomo@nassaucountyny.gov. Proposers should submit question(s) prior to 4:00 PM on Monday, December 14th, 2020. Violation of these provisions may result in immediate disqualification. Any person with disabilities requiring special accommodations to participate in the non-mandatory pre-bid MEETING must contact Mr. Cuomo no later than seven (7) days prior to the non-mandatory pre-bid MEETING. Size 1 building
Scope Site work for a water / sewer project in Yaphank, New York. Completed plans call for site work for a water / sewer project. Last Date for Questions 4:00 PM on December 31, 2020 The work consists of the following: Installation of approximately 248 individual grinder pump units (GPU), control panels, gravity connections from the existing sanitary sewer of each residential home to GPU and the abandonment and/or repurposing of the existing sewage disposal systems and the restoration of all disturbed areas. This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR") and FEMA funding administered by the NYS Division of Homeland Security and Emergency Services ("DHSES"). Attention of bidders is particularly called to Section 3 requirements, M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. All Community Development Block Grant-Disaster Recovery (CDBG-DR) funded items must be completed with invoices billed and submitted no later than July 1, 2022. This project includes both State and Federal prevailing wages. If Federal Davis-Bacon wage rates differ from the New York State prevailing wage rates, then the higher of the two rates shall be paid. Note: This Project is to be bid as a single prime project. Bids for this contract shall be submitted in a separate sealed envelope with the name of the contract clearly noted on the outside of the envelope. Bids shall be accompanied by a certified check or bid bond in an amount not less than five percent (5%) of the total Base Bid, made payable to the Suffolk County Comptroller. The certified check or bid bond will be held as a guarantee that in the event the bid is accepted, and contract awarded to the Bidder, the contract will be duly executed and properly secured. E-MAILED BIDS WILL BE CONSIDERED UNRESPONSIVE. The bids shall be delivered in person, by the Bidder or his agent, at the time and place stated. Please note that all construction contracts involving construction, reconstruction, improvement, rehabilitation, installation, alteration, renovation, demolition of, or otherwise providing for any building, facility or physical structure of any kind with a value in excess of \$250,000 will be subject to Apprenticeship Training Program requirements pursuant to Article 23, Section 816b of the NYS Labor Law and Suffolk County Resolution No. 1866-2014, specifically requiring graduate of apprentice(s) in the trade(s) called for within the construction contract within specified time period preceding the bid date of project. Questions regarding this project shall be directed to Gregory Levasseur, P.E. (Project Manager) via email at glevasseur@h2m.com and cc Janice McGovern, P.E. (Chief Engineer) at Janice.McGovern@suffolkcountyny.gov. The Commissioner of Public Works reserves the right to reject any and all bids. CP8196#2, 1601

Size 5 buildings
Scope Site work, paving and asbestos abatement for a mixed-use development in Oakdale, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; water / sewer project; municipal facility; and for asbestos abatement for a municipal facility. Drainage Improvements, Road Raising, and Associated Asbestos Abatement All individuals who plan to attend pre-bid meetings or bid openings in person will be required to complete and present a DASNY Visitor Covid-19 Screening Questionnaire, present government-issued picture identification to building security officials and obtain a visitors pass prior to attending the bid opening. The questionnaire and all instructions are located after Section 19.0 of the Information for Bidders. Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids. In accordance with State Finance Law 139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between DASNY personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is: Shawn Taylor, Project Manager, 998 Crooked Hill Boulevard, Building 26, West Brentwood, New York 11717, 631-434-3462, staylor@dasny.org (the Owners Representative) and DASNY at ccontracts@dasny.org. Contacts made to other DASNY personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York. An Addendum will be issued in lieu of a Pre-Bid Meeting. Prospective bidders are advised that the Contract Documents for this Project contain new GENERAL CONDITIONS for CONSTRUCTION dated July 28, 2020 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. A complete set of Contract Documents may be viewed and/or purchased online from Camelot Print and Copy Centers. Only those Contract Documents obtained in this manner will enable a prospective bidder to be identified as an official plan holder of record. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. In addition, prospective bidders are advised that the Contract Documents for this Project contain new GENERAL CONDITIONS for CONSTRUCTION dated July 28, 2020 that contain significant revisions from those documents previously contained in DASNY's Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid. To order a DIGITAL Contract Documents and be placed on the bidders list, add the Contract Document(s) to your cart and proceed to the checkout. All major credit cards are accepted. 	Bonds	Bids To Owner	Plans From Civil Engineer	Deposit 35.00	Available Online Plans, Specs, Addenda
Size	1 building				
Scope	Site work for a civil project in Astoria, New York. Completed plans call for site work for a water / sewer project. As of August 2017, the New York City Mayor's Office of Contract Services (MOCS) has launched the Procurement and Sourcing Solutions Portal (PASSPort), a new procurement system that will replace the paper - VENDEX process. All organizations intending to do business with the City of New York should complete an online disclosure process to be considered for a contract. Since you have submitted a bid to NYC Dept. of Design and Construction, we are requesting that you create an account and enroll in PASSPort and file all disclosure information. Paper submissions, including Certifications of No Change to existing VENDEX packages will not be accepted in lieu of complete online filings. This procurement is subject to Minority-Owned and Women-Owned Business Enterprises (MWBE) participation goals as required by Local Law 1 of 2013. All respondents will be required to submit an M/WBE Participation Plan with their response. For the MWBE goals, at portal. Estimated Range \$5,000,000-\$10,000,000 *This project timeline has been extended due to the public health crisis.				
Details	[Division 2]: Hazardous Material Abatement, Paving & Surfacing, Water Systems, Landscaping. [Division 3]: Concrete Formwork, Concrete Reinforcement, Structural Concrete. [Division 4]: Marble. [Division 5]: Structural Steel. [Division 9]: Tile, Painting. [Division 13]: Ground Storage Tanks. [Division 14]: Elevators, Material Handling Systems, Hoists & Cranes. [Division 15]: Ductwork.				
Notes	Bid Date: 01/12/2021 11:00AM bid date extended from 12/29/2020 Fetto Enterprises is only requesting pricing from Union Contractors. Please send all bids to Glenn at estimating@perpettoent.com* An addendum will be sent, at least 5 days prior to the Bid Due Date, with the updated Bid Due Date, Bid Opening Date, and procedures for submitting and opening bids while maintaining the required social distancing. Size 1 building
Scope Renovation of an educational facility in Massapequa, New York. Completed plans call for the renovation of a educational facility. Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the MASSAPEQUA UNION FREE SCHOOL DISTRICT, in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. Each bidder shall agree to hold his/her bid price for forty-five (45) days after the formal bid opening. It is the Board's intention to award the contracts to the lowest qualified bidder providing the required security who can meet the experience, technical and budget requirements. The Board reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Board, is in the best interests of the School District.

Details [Division 2]: Building Demolition, Hazardous Material Abatement, Paving & Surfacing, Water Systems. [Division 3]: Concrete Formwork, Concrete Reinforcement, Structural Concrete, Cementitious Decks. [Division 4]: Clay Unit Masonry, Concrete Unit Masonry. [Division 5]: Metal Fabrications. [Division 6]: Rough Carpentry. [Division 7]: Firestopping. [Division 8]: Glass & Glazing. [Division 9]: Ceiling Suspension Systems, Drywall/Gypsum, Tile, Terrazzo, Acoustical Ceilings, Acoustical Walls, Wood Flooring, Resilient Flooring, Carpet, Painting. [Division 10]: Interior Signs. Size **1 building**

Scope Site work for a water / sewer project in Yaphank, New York. Completed plans call for site work for a water / sewer project. The work consists of the following: Installation of approximately 670 individual grinder pump units (GPU) and electrical services, and gravity connections from the existing waste line of each residential home to the isolation valve installed under a previous contract, as well as the closure of the existing sewage disposal systems and the restoration of all disturbed areas. You are responsible for downloading and printing all appropriate Contract Documents. You are also responsible for checking the site frequently to ensure that you have all addenda. Note that there is no fee to create a user profile or to obtain documents. Questions for user login should be directed to the Suffolk County Department of Public Works IT division at (631) 852-4115. Eligible bidders must have registered on the Suffolk County Department of Public Works Purchasing Unit web site to be eligible to submit a responsible bid. This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR"). Attention of bidders is particularly called to Section 3 requirements, M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. This project includes both State and Federal prevailing wages. If Federal Davis-Bacon wage rates differ from the New York State prevailing wage rates, then the higher of the two rates shall be paid. Note: This Project is to be bid as a single prime project. Bids for this contract shall be submitted in a separate sealed envelope with the name of the contract clearly noted on the outside of the envelope. Bids shall be accompanied by a certified check or bid bond in an amount not less than five percent (5%) of the total Base Bid, made payable to the Suffolk County Comptroller. This bid bond will be held as a guarantee that in the event the bid is accepted, and contract awarded to the Bidder, the contract will be duly executed and properly secured. E-MAILED BIDS WILL BE CONSIDERED UNRESPONSIVE. The bids shall be delivered in person, by the Bidder or his agent, at the time and place stated. Then click on Bids and Contracts. Bid Results will not be given out over the telephone. You are requested to access the County website for this information. If you are not in attendance at the bid opening, please be patient while we process and post the results. Results will typically be posted within 24 hours after the bid opening. Please note that all construction projects over \$250,000 advertised after July 17, 2008 will be subject to training requirements pursuant to Section 220-h of the NYS Labor Law. Please note that all construction contracts involving construction, reconstruction, improvement, rehabilitation, installation, alteration, renovation, demolition of, or otherwise providing for any building, facility or physical structure of any kind with a value in excess of \$250,000 will be subject to Apprenticeship Training Program requirements pursuant to Article 23, Section 816b of the NYS Labor Law and Suffolk County Resolution No. 1866-2014, specifically requiring graduate of apprentice(s) in the trade(s) called for within the construction contract within specified time period preceding the bid date of project. All Bidders of Responsibilities Required by the Nys Governor's Office of Storm Recovery (Gosr) and Nys Division of Homeland Security and Emergency Services ("dhses"). # The Commissioner of Public Works reserves the right to reject any and all bids. Any questions regarding this project shall be directed to Adriana Restrepo, P.E. via email at Arestrepo@db-eng.com and cc Janice McGovern, P.E. (Chief Engineer) at Janice.McGovern@suffolkcountyny.gov 108-8 AND 108-11 Installation of approximately 670 individual grinder pump units (GPU) and electrical services, and gravity connections from the existing waste line of each residential home to the isolation valve installed under a previous contract, as well as the closure of the existing sewage disposal systems and the restoration of all disturbed areas.

Scope

Renovation of a mixed-use development in Lynbrook, New York. Completed plans call for the renovation of a educational facility. Each Bidder must deposit, with their sealed bid, security in an amount not less than 10% of the base bid and all Alternate Bids in the proper form subject to the conditions set forth in the Instructions to Bidders (Page 3). Attention of the Bidders is specifically directed to the minimum wage rates to be paid under the contract, as well as to other provisions set forth in the bidding documents. Bidder will also be required to show, to the satisfaction of the LYNBROOK UFSD that they are carrying Workers' Compensation Insurance as required by law and all other Insurance in amounts not less than that specified under the General Conditions. Performance Bonds and Labor/Material Bonds, as called for in the General Conditions are a requirement of each contract. The LYNBROOK UFSD reserves the right to reject any or all bids submitted, to waive any informality or irregularity in any bid, and/ or to accept any bid in whole or in part and/ or to award or not award the contract, if in the opinion of the LYNBROOK UFSD, the best interest of the SCHOOL DISTRICT will thereby be served. This invitation is an offer to receive bids for a contract. The successful Bidder will be required to execute a formal contract in the form contained in the Contract Documents. All bids received after the time stated in the Notice to Bidders will not be considered and will be returned unopened to the bidder. The bidder assumes the risk of any delay in the mail or in the handling of the mail by employees of the SCHOOL DISTRICT. Whether sent by mail or by means of personal delivery, the bidder assumes responsibility for having its bid deposited on time at the place specified. Each Bidder shall agree to hold their bid price for (45) days after the formal bid opening. Per Article 8, Section 220 of the New York State Labor Law, every contractor and sub-contractor shall submit to the SCHOOL DISTRICT within (30) days after issuance of its first payroll, and every (30) days thereafter, a transcript of the original payroll record, as provided by this article, subscribed and affirmed as true under penalties of perjury. The SCHOOL DISTRICT shall be required to receive and maintain such payroll records. The original payrolls or transcripts shall be preserved for (5) years from the completion of the work on the project. Due to the ongoing COVID-19 pandemic and the resulting uncertainty with regard to (a) when the Owner's schools will be in session during 2021, (b) what restrictions, if any, will be applicable to construction activities in the Owner's facilities due to State, Federal or Local orders, laws, regulations or rules related to the COVID-19 pandemic (including but not limited to social distancing, cleaning and disinfection requirements) and (c) the duration of any restrictions imposed on construction activities, the Owner may modify the construction schedule set forth in the Contract/Bid Documents. By submitting a bid, the Bidder acknowledges and agrees that there shall be no additional compensation paid for schedule modifications caused directly or indirectly by the COVID-19 pandemic. The Bidder further acknowledges and agrees that the sole remedy for any schedule modifications or delays caused directly or indirectly by the COVID-19 pandemic shall be an extension of time, if warranted.

Scope	Site work and paving for a civil project in Long Beach, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; and water / sewer project. This project is being financed with HUD funds administered by the NYS Governor's Office of Storm Recovery (GOSR) Attention of bidders is particularly called to Section 3 requirements, MWBE goals. This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR"). Attention of bidders is particularly called to Section 3 requirements, 1 M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. See Instructions to Bidders for additional information. Each bid must be prepared and submitted in accordance with the Instructions to Bidders and must be accompanied by Bid Security in the form of a certified check, bank check, or bid bond in the amount of ten percent (10%) of the total amount of the bid. No later than forty-five (45) days after the bid opening, the Municipality shall accept bids or reject all bids. After the bid opening, a bid may not be withdrawn prior to the date that is forty-five (45) days after such bid opening. The Municipality reserves the right to reject any or all bids, and advertise for new bids, if in its opinion the best interest of the Municipality will hereby be promoted. No bid will be considered from any person who is in arrears to the City, or who is in default as surety or otherwise upon any obligation to the City, nor shall a bid be considered from any contractor whose performance on any previous contract with the City has been unsatisfactory in the opinion of the City Council. A contractor whose performance has been unsatisfactory shall not be deemed a responsible qualified bidder. In accordance with Section 135 of NYS Finance Law this is a Wick's Law project: Contract G-General Construction Contract E-Electrical Work shall include but not limited to : removal of existing pavement, excavation, furnish and laying of pipe, landscaping, and all work required for complete installation of sewers When necessary, the contractor will be responsible for repositioning or readjusting of existing utilities Service-Disabled Veteran-Owned Set Aside: No Minority Owned Sub-Contracting Goal: 15% Women Owned Sub-Contracting Goal: 15% Contract term: 300 Days Bidders must satisfy themselves by personal examination of the site of the proposed work and shall not at any time after the submission of a bid or proposal, dispute or complain nor assert that there was any misunderstanding in regard to the nature or amount of the work to be performed. Please note that contracting any other agency staff regarding this contract may be a violation of state or municipal law, rule or regulation, resulting in a determination of contract non-responsibility. The completion date for this project is 300 days after Bidder receives a notice to proceed with construction from the Municipality. Liquidated damages will be assessed for each day of delay of the contract in the amount of one thousand (\$1,000) dollars per calendar day. The successful bidder will be required to furnish a Performance Bond and a Payment Bond in the statutory form of public bonds required by Section 137 of the State Finance Law, each for one hundred percent (100%) of the amount of the Contract. The City reserves the right to reject any and all bids received, to waive informalities and also reserves the right to increase, decrease, omit any portions of the Specification. The City will award the Contract to the lowest responsible bidder qualified by past experience to satisfactorily perform the required work of this contract and furnishing the required security. Any Contractor submitting a bid must be able to proceed with the detailed work immediately upon Notification to Proceed, and must complete all work within the project duration indicated.

Size 7,500 square feet, 6 stories, 10 units, 2 buildings

Scope Demolition, site work and new construction of a multi-residential development in New York, New York. Completed plans call for the construction of a 7,500-square-foot, four-story above grade, 10-unit multi-residential development; and for the demolition of a two-story above grade multi-residential development. Construction of a new four-story residential building in Brooklyn. The building will have ten residences at a total of 7,500 SF. The masonry structure will also have a cellar and a penthouse. As of November 5, 2020, an application was submitted to the New York City Building Department on November 2, 2020. An architect has been selected. The design is starting plan review. The Owner is currently requesting interested general contractors to contact him to start the negotiating process as soon as possible. Although a firm timeline for construction has not been determined, it is not expected to begin prior to second quarter 2021 since plans are pending approvals. Please note: The Owner is interested in being contact by interested General Contractors at this time to review qualifications. The due date is a place holder until a general contractor is selected and contracted to do the work.

Size 4 buildings
Scope Demolition, site work, paving and new construction of a bridge / tunnel in Garden City, New York. Completed plans call for the demolition of a bridge / tunnel; for the construction of a bridge / tunnel; for site work for a bridge / tunnel; and for paving for a bridge / tunnel. C&D requires the services of a design/build contractor to provide design, engineering and construction services for this Project. The Contractor shall utilize the provided Technical Design Documents (which includes the 30% Design Drawings) to prepare the 60%, 90%, and 100% Final Design packages in accordance with the requirements in this RFP. The bridge carries LIRR's Hempstead Branch, which is double track electrified (third rail) territory at this location. The bridge is located at Mile Post 18.2 between the Nassau Boulevard and Garden City stations and was built in 1871. It has one (1) span with a total bridge length of approximately 86 feet. The bridge is open deck with standard bridge timbers and rests on stone masonry abutments. The tracks are tangent across the bridge with timetable speed of 60 mph (FRA Class 3). When the bridge was constructed in 1871, the vehicular traffic below was significantly different than what it is today. With the current vertical clearance posted at 10'-4" (surveyed at minimum 11'-6") bridge strikes by vehicles have been a common occurrence at this location. The age of the bridge and the frequency of bridge strikes have made replacement a priority. The Cherry Valley Road Bridge shall meet all applicable NYSDOT vertical clearance requirements to the street below (14'-0). Goals: 20% DBE Contract Term: 720 Days after Notice of Award to Substantial Completion

Size	1 building			
Scope	Renovation of a mixed-use development in New York, New York. Completed plans call for the renovation of a educational facility. All work on this contract is to be completed within (180) calendar days, starting ten (10) calendar days after the contract approval date of the New York State Comptroller. Bidding and Contract Documents may be examined free of charge at the campus at: SUNY Downstate Health Sciences University, Contracts and Procurement, 440 Lenox Ave. Apt 2L, Brooklyn, NY 11203. RFI's (Request for Information; technical questions and administrative questions) are to be submitted in writing via email to nana.ankamah@downstate.edu, by Thursday, January 7th, 2021 at 4:00 p.m. RFI Responses - responses to questions will be emailed by Tuesday, January 12th, 2021. Bidders are advised to pay close attention to the bid submission date, time, and other requirements set forth to prevent disqualification from consideration. A bidder must demonstrate, to the satisfaction of the University, that it has successfully completed three (3) contracts similar in size, scope and complexity to this contract within the last five (5) years. For scope and complexity, similar work is defined as, "mechanical upgrades, demolition, and building renovation work, and as further described in the General Requirements, Description of Work. All prospective bidders must demonstrate to the satisfaction of the University that they have the skill and experience, as well as the necessary facilities, ample financial resources, ability to manage staff and subcontractors effectively, ability to anticipate and plan construction work for optimal progress, ability to create, strive for and maintain working environments and relationships that are constructive, communicative and cooperative, organization and general reliability to do the work to be performed under the provisions of the Contract in a satisfactory manner and within the time specified. Each bidder must demonstrate to the satisfaction of the University that it has working capital available for the Project upon which it is bidding in an amount equal to 15 percent of the first \$100,000 of the amount of its Base Bid plus 10 percent of the next \$900,000 plus 5 percent of the remainder of its Base Bid. Working capital is defined as the excess of current assets over current liabilities. The University defines current assets as assets which can be reasonably expected to be converted into cash within a year, and current liabilities as debts which will have to be paid within a year. Section 143 of the State Finance Law requires payment of a deposit to receive these documents. Accordingly, a deposit check of \$ 49 made payable to SUNY Downstate Health Sciences University, is required. Deposits less than \$50.00 are nonrefundable. Bids must be submitted in duplicate in accordance with the instructions contained in the Information for Bidders. Security will be required for each bid in an amount not less than five (5) percent of the Total Bid. It is the policy of the State of New York and the State University of New York to encourage minority business enterprise participation in this project by contractors, subcontractors and suppliers, and all bidders are expected to cooperate in implementing this policy. It is the policy of the State of New York and the State University of New York to encourage minority business enterprise participation in this project by contractors, subcontractors and suppliers, and all bidders are expected to cooperate in implementing this policy. Contract Goals have been determined for this Project as follows MBE goal: 23%; WBE Goal: 7% for a total MWBE Goal: 30%. A directory of New York State Certified Minority and Women's Business Enterprises is available from: Empire State Development Corporation, Minority and Women's Business Development Division at: portal. to assist potential bidders in locating sources of M/WBE subcontractors and reaching these goals. The designated M/WBE contact for this procurement solicitation is Edmund Folkes, MWBE Coordinator, (718) 270-1378, Edmund.folkes@downstate.edu and is available to further assist potential bidders in reaching these goals. Additionally, bidders for this contract for services are strongly encouraged and expected to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive Service-Disabled Veteran-Owned Businesses (SDVOBs) in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, proteges or other supporting roles. SDVOB Contract Participation Goals have been established at 6%. The State University of New York reserves the right to reject any or all bids. Service-Disabled Veteran-Owned Set Aside: No Contract term: 180 Calendar Days

Size 2 buildings

Scope Site work and paving for a road / highway in New York, New York. Completed plans call for site work for a road / highway; and for paving for a road / highway. The Dormitory Authority of the State of New York (DASNY) has determined that its interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages and any local history of labor unrest are best met by use of a Project Labor Agreement (PLA) on this Project. The successful low bidder, as a condition of being awarded this Contract, will be required to execute the PLA described in the Information for Bidders and included in the Contract Documents. See Section 18.0 of the Information for Bidders of the Contract Documents for additional information. All subcontractors of every tier will be required to agree to be bound by the PLA. Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids.

 To Be Determined Value: \$396,000 General Contractor Award
 Mineola, Nassau Co NY Inv# H2M IVOM 1901A BIDS: 2020-12-11, 12:00PM

Est. Start: 01/2021; Completion: 04/2021
Size 2 buildings
Scope Demolition and site work for a fire / police facility in Mineola, New York. Completed plans call for the demolition of a fire / police facility; and for site work for a fire / police facility. Each proposal submitted must be accompanied by a certified check or bid bond, made payable to the INCORPORATED VILLAGE OF MINEOLA in an amount equal to five percent (5%) of the total amount of the bid, as a commitment by the bidder that, if its bid is accepted, it will enter into a contract to perform the work and will execute such further security as may be required for the faithful performance of the contract. Certification of bonding company is required for this bid, see Instructions for Bidders section. Each bidder shall agree to hold his/her bid price for forty five (45) days after the formal bid opening. It is the Village of Mineola's intention to award the contracts to the lowest qualified bidder who can meet the experience, technical and budget requirements. The Village of Mineola reserves the right to reject any or all bids, waive any informality and to accept such bid which, in the opinion of the Village of Mineola, is in the best interests of the Village. Bids include all costs associated with the project. By submitting a bid, the bidder represents that they are familiar with the site and project conditions. Additionally, prior to submitting its bid, Contractor shall make Architect and Owner aware of any problems and/or inconsistencies in the bid documents.

Details [Division 2]: Building Demolition, Hazardous Material Abatement, Clearing, Shoring, Earthwork, Grading, Slope Protection & Erosion Control, Paving & Surfacing. Carls River Watershed Low Pressure Sewer Project 108 Interceptor Extension (Alt) 1005486866
 Lakeway Dr & Governor Ave Value: \$4,956,771 Low Bids Announced
 West Babylon, Suffolk Co NY Inv# 8139, 13517 BIDS: 2020-11-17, 11:00AM

Est. Start: 12/2020; Completion: 07/2022
Size 1 building
Scope Site work for a water / sewer project in West Babylon, New York. Completed plans call for site work for a water / sewer project. Extension of the 108 sewer interceptor via microtunneling under the Southern State Parkway (SSP). The proposed extension consists of a 48-inch reinforced concrete pipe installed approximately 25 feet below grade that will connect an existing manhole on the south side of the SSP to a new manhole on the north side in the intersection of Lakeway Drive and Governor Avenue This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR"). Attention of bidders is particularly called to Section 3 requirements, M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. All Community Development Block Grant-Disaster Recovery (CDBG-DR) funded items must be completed with invoices billed and submitted no later than July 1, 2022. This project includes both State and Federal prevailing wages. If Federal Davis-Bacon wage rates differ from the New York State prevailing wage rates, then the higher of the two rates shall be paid. This Project is to be bid as a single prime project. Bids for this contract shall be submitted in a separate sealed envelope with the name of the contract clearly noted on the outside of the envelope. Bids shall be accompanied by a certified check or bid bond in an amount not less than five percent (5%) of the total Base Bid, made payable to the Suffolk County Comptroller. This bid bond will be held as a guarantee that in the event the bid is accepted, and contract awarded to the Bidder, the contract will be duly executed and properly secured. E-MAILED BIDS WILL BE CONSIDERED UNRESPONSIVE. The bids shall be delivered in person, by the Bidder or his agent, at the time and place stated. The Commissioner of Public Works reserves the right to reject any and all bids. Any questions regarding this project shall be directed to Adriana Restrepo, P.E. via email at Arestrepo@dbeng.com and cc Janice McGovern, P.E. (Chief Engineer) at Janice.McGovern@suffolkcountyny.gov

Details [Division 2]: Clearing, Dewatering, Earthwork, Grading, Slope Protection & Erosion Control, Tunneling, Piles & Caissons, Paving & Surfacing, Water Systems, Wells, Sewerage & Drainage, Fences & Gates, Landscaping. Size 1 building
Scope Site work for a water / sewer project in Bay Park, New York. Completed plans call for site work for a water / sewer project. This contract will reconstruct the drainage system on Lawson Avenue including numerous cross streets, located between Davis and Lawrence Street. This project will also reconstruct only portions of three (3) separate drainage systems located off of Lawson Avenue, including Adams Street, Lawrence Street, and North Boulevard. Drainage improvements include increasing the size of pipes, installing additional drainage structures to increase the system's capacity, and eliminating back pitched pipes. New in-line check valves will be installed prior to each outfall to prevent tidal surcharge. Stormwater pretreatment systems will be installed to filter road runoff prior to reaching the check valve, preserving the service life of the check valves and eliminating debris from clogging the valves in addition to improving the quality of the storm water runoff. A portion of the existing bulkhead on Franklin Street will be reconstructed where a new, larger outfall pipe will be installed.
Details [Division 2]: Dewatering, Shoring, Slope Protection & Erosion Control. [Division 3]: Concrete Formwork, Concrete Reinforcement, Structural Concrete, Architectural Concrete. [Division 5]: Structural Steel, Metal Fabrications. [Division 12]: Furniture.

Scope Site work and paving for a road / highway in New York, New York. Completed plans call for site work for a road / highway; and for paving for a road / highway. This project will build curb ramps, crosswalks, and sidewalks at various locations in Queens county as mandated by 28 CFR 35.150 to be included in the NYSDOT ADA Transition Plan. Non-accessible assets which are identified will be brought up to accessibility standards. D264375, PIN XM2050, FA Proj Z230-XM20-503, Queens Co., ADA Requirements Contract New York City, Bid Deposit: 5% of Bid (~ \$75,000.00) , Goals: DBE: 7.00% Every bid must be accompanied by a bid bond, certified check or bank cashier's check payable to the NYS Department of Transportation, in the sum of the amount shown on the proposal title page. Bonds must be on form CONR 391. Electronic bids must include an electronic bid bond. The Contractor is responsible for ensuring that all Amendments are incorporated into its bid. To receive notification of Amendments via e-mail you must submit a request to be placed on the Planholders List electronically. Amendments may have been issued prior to your placement on the Planholders list. NYS Finance Law restricts communication with NYSDOT on procurements and contact can only be made with designated persons. Contact with non-designated persons or other involved Agencies will be considered a serious matter and may result in disqualification. The Department's Civil Rights reporting software is EBO (the Equitable Business Opportunity Solution). To be in compliance with the contract requirements for NYS Civil Rights reporting, it is recommended that all Bidders and subcontractors have an active EBO account. Vendors/Sponsors can access an EBO application as well as Login & Password electronically. Additionally, effective January 1, 2020 for Federal Aid projects, bidders are required to submit DBE Commitments with their bids. Project related technical questions or comments must be submitted through the Construction Contracting section of the NYSDOT Business Center on the NYSDOT . Contract administration or procurement questions may be submitted either through the website or directed to Robert Kitchen, or the Assistant Director/Director of the Contract Management Bureau, (518) 457-2124. Please call (518) 457-2124 if a reasonable accommodation is needed to participate in the Letting. NYDOT - ADA Requirements Contract XM20.50

Scope Site work and renovation of a water / sewer project in Syosset, New York. Completed plans call for the renovation of a water / sewer project; and for site work for a water / sewer project. This Contract generally consists of the installation of the pre-purchased Granular Activated Carbon Adsorption Systems at Well #20 including foundations, new piping, valves, appurtenances and accessories as shown and specified. The work also includes all associated power and controls, SCADA, all wiring and devices, site paving and restoration and utility other work as shown and called for in conformance with the Contract Documents. The Contract Documents, consisting of Advertisement for Bids, Instructions to Bidders, Bid, Bid Bond, Agreement, General Conditions, Supplementary Conditions, Payment Bond, Drawings, Specifications and Addenda may be examined at the following locations: Jericho Water District 125 Convent Road Syosset, NY 11791 D&B Engineers and Architects, P.C. 330 Crossways Park Drive Woodbury, NY 11797-2015 Complete digital sets of Bidding Documents, drawings and specifications, will be available and may be obtained online as a download at the following website: www.revplans.com under 'public projects'. Neither Owner nor Engineer will be responsible for full or partial sets of the Contract Documents, including Addenda if any, obtained from sources other than the issuing office. Each Bid must be accompanied by a certified or bank cashier's check made payable to OWNER, or a Bid Bond issued by a surety licensed to conduct business in the state where the Project is located and having a Best Rating of A- or better from A.M. Best Company and named in the current list of "Companies Holding Certificates of Authority as Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Financial Management Service, Surety Bond Branch, U.S. Department of the Treasury, in an amount not less than 5% of the amount of the Bid submitted. The list may be ordered from the Government Printing Office Bookstore, 26 Federal Plaza, Room 110, New York, NY 10278, (212) 264-3825. Each Bidder must complete and submit with their bid the "Iranian Investment Activities Certification" provided in the Bid Form in compliance with General Municipal Law 103-g, Iranian Energy Sector Divestment. Each Bidder must complete and submit with their Bid the "Certification of Compliance with New York State Labor Law Section Two Hundred One-G" provided in the Bid Form regarding the implementation of a written policy addressing sexual harassment prevention in the workplace. The Bidder to whom the OWNER proposes to award the Contract will be required to furnish performance and payment bonds and the necessary insurance certificates as prescribed in the General Conditions and the Supplementary Conditions upon the execution of the Agreement. Bidders are required to execute a non-collusive bidding certification required by Section 103-d of the General Municipal Law of the State of New York. The attention of Bidders is particularly called to the requirements as to the conditions of employment to be observed and the minimum wage rates to be paid under the contracts. Bidders are also required to comply with the anti-discrimination provisions of Sections 290-301 of the Executive Law of the State of New York. The OWNER reserves the right to reject any or all of the Bids received, to readvertise for Bids, to abandon the project, to waive any or all informalities in any Bid received and to accept any proposal which the OWNER decides to be for the best interest of the OWNER. A public meeting may be held at the time and place noted above wherein the District will conduct such regular and other business which is properly brought before the Board of Commissioners. By Executive Order of Governor Cuomo, the District is not open for public meetings until further notice because of the COVID-19 pandemic. However, bidders may hand deliver bids to the District's Headquarters, if desired, or via mail or other courier service. Directions for on-site hand delivery of bids will be posted on the front door on the day of the bid opening. Bidders cannot attend the bid opening. District's portal. Note: All questions must be submitted, in writing, to Kevin Law, no later than 4:00 p.m. on December 10, 2020. Questions must be sent via email to klaw@db-eng.com.

 Mineola, Nassau Co NY Inv# H60052-01G, 2018042.00 **BIDS: 2020-12-22, 10:30AM**

Est. Start: 01/2021; Completion: 02/2022

Size 5 buildings

Scope Site work and paving for a mixed-use development in Mineola, New York. Completed plans call for site work for a road / highway; for paving for a road / highway; sidewalk / parking lot; sidewalk / parking lot; and water / sewer project. MBE Goal - 15 percent WBE Goal - 15 percent EEO Participation Goals for Minority - 5.8% EEO Participation Goals for Women - 6.9% Disadvantaged Business Enterprise (DBE) Goal - 0% The project proposes to mitigate tidal flooding and increase coastal resiliency within the community by the installation of Tideflex Check Mate(R) In-Line Check Valves, associated with five (5) storm water drainage outfalls at various locations within the community. Additionally, improved storm water drainage collection and disposal is proposed along Lido Boulevard by the proposed installation of new drainage structures to improve inlet capacity along the curb lines. Coordination with local utility companies will be required to avoid, support and/or relocate existing utilities, impacted by the proposed drainage improvements. Work Zone traffic control and detours will be required to accomplish the proposed work and maintain safety of the workers and travelling public. Miscellaneous restoration associated with the proposed improvements, i.e.: curb replacement, sidewalk and driveway repair and concrete and asphalt pavement repairs will also be required. No public, including vendors, will be allowed to be present for the bid opening for the above-identified contract scheduled to take place at 1550 Franklin Ave. in Mineola at 10:30 am. Upon receipt of vendors' bids, the County will open and read aloud said bids at 1550 Franklin, to which the vendors can call in and remotely participate. Vendors are still required to submit bids prior to 10:30 am at the Clerk of the Legislature. The County is under no obligation to respond to any question, inquiry or assertion that is not received in writing. All questions regarding this solicitation shall be submitted by e-mail and, if deemed necessary will be clarified by addendum issued to all respondents. No questions will be answered verbally. E-mails shall be sent to the attention of Joseph Cuomo, Planning Division, Dept. of Public Works at jcuomo@nassaucountyny.gov. Proposers should submit question(s) prior to 4:00 PM on Monday, December 7th, 2020. Violation of these provisions may result in immediate disqualification. Instructions to Bidders, Form of Bid Bond, Proposal, Form of Agreement, Specifications and the Plans, herein called the "Contract Documents", may be examined at the Permit Office of the Department of Public Works, first floor, 1194 Prospect Avenue, Westbury, Nassau County, New York, 11590-2723, Phone No. (516) 571-6840, from 9:00 AM on Friday, November 20, 2020 until 3:45 PM on Friday, December 18, 2020 (closed daily from 12:00 Noon to 1:00 PM and on County holidays). Copies of the Contract Documents will be available at the time and place indicated on a CD in PDF format. Furthermore, for review only, a downloadable set of the technical specifications can be found on the County solicitation board at no charge for all registered users at: online This Contract will be subject to Nassau County Local Laws No. 14-2002, "Participation by Minority Group Members and Women in Nassau County Contracts," which requires submission of a Utilization plan prior to the award of a County contract, No. 2-2016, "Participation of Service-Disabled Veterans in County Contracts," and No. 9-2002, as amended by No. 3-2015, which require that firms entering into contracts with Nassau County must participate in registered and approved apprenticeship training programs unless such requirement are supplanted by requirements specified in the bidding instructions. At the time of bid submission, the Contractor shall submit, as part of its bid, documents in compliance with Title 51 of the Nassau County Miscellaneous Laws demonstrating participation in approved apprenticeship training programs that are appropriate for the type and scope of work to be performed pursuant to the Contract. Such apprenticeship training programs appropriate for the scope of this Contract shall include, but are not limited to the following: Laborers, Operating Engineer, Carpenter, Mason and/or any other trade appropriate for the type of work proposed. The apprenticeship training programs shall be registered with, and approved by, the New York State Commissioner of Labor in accordance with Article 23 of the New York State Labor Law. Note that if the Contractor does not comply with these requirements, the Commissioner may declare the Contractor's bid proposal non-responsive and award the Contract to the next lowest responsible Bidder. Any person with disabilities requiring special accommodations to participate in the non-mandatory pre-bid MEETING must contact Mr. Cuomo no later than seven (7) days prior to the non-mandatory pre-bid MEETING. This project is being financed with U.S. Department of Housing and Urban Development ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") funds administered by the NYS Governor's Office of Storm Recovery ("GOSR"). Attention of bidders is particularly called to Section 3 requirements. 1 M/WBE goals, Federal labor standards, Federal and State prevailing wage rates, online reporting requirements using Elation System, Inc. and other requirements included in the GOSR Supplementary Conditions for Contracts. See Instructions to Bidders for additional information. Please be advised the EEO Female Participation goal is set at 6.9%, the WBE Participation goal is set at 15%, MBE Participation goal is set at 15% and the Section 3 Participation goal is set as 30% new hires/10% subcontracting as required by HUD. Further information in section "Other Required Forms." In order to ensure that you are submitting bids based on the plans and specifications provided by the Department, please be advised that the Department will only accept bids from bidders who are on the "List of Bidders" who purchased the plans and specifications from the Department. Security for Bid as set forth herein must be presented with the Bid. Contract term: 365 days
